Book 15 Bible Translations PB Kurt Jurgensmeier,2012-10-23 What is the best Bible Because of the myriad of Bible translations Christians have wondered which one is best This question has become especially controversial because the publisher of the most popular translation in the world the NIV decided to create a gender inclusive text Against much popular opinion we defend the following Dynamic thought for thought translations NIV NLT are superior to more literal word for word translations NASB ESV More literal Bible translations often fail in a critical part of accurate translation producing good contemporary English The criticisms against dynamic Bible translations are either exaggerations errors and or even slanderous against the word of God Gender inclusive language is an improvement in most cases We also provide a chapter offering some suggestions and

Emily West,2022-02-22 How Amazon combined branding and relationship marketing with massive distribution infrastructure to become the ultimate service brand in the digital economy Amazon is ubiquitous in our daily lives we stream movies and television on Amazon Prime Video converse with Alexa receive messages on our smartphone about the progress of our latest orders In Buy Now Emily West examines Amazon s consumer facing services to investigate how Amazon as a brand grew so quickly and inserted itself into so many aspects of our lives even as it faded into the background becoming a sort of infrastructure that can be taken for granted Amazon promotes the comfort and care of its customers but not its workers to become the ultimate service brand in the digital economy West shows how Amazon has cultivated personalized intimate relationships with consumers that normalize its outsized influence on our selves and our communities She describes the brand s focus on speedy and seamless ecommerce delivery represented in the materiality of the branded brown box the positioning of its book retailing media streaming and smart speakers as services rather than sales and the brand s image control strategies West considers why pushback against Amazon s ubiquity and market power has come mainly from among Amazon s workers rather than its customers or competitors arguing that Amazon s brand logic fragments consumers as a political bloc West s innovative account the first to examine Amazon from a critical media studies perspective offers a cautionary cultural study of bigness in today s economy

Chandragupta Maurya Sushma Jansari,2023-06-01 We take it for granted that some historical figures become heroes and others do not Chandragupta Maurya evolved from obscure ruler to contemporary national icon The key moment in the making of this Indian hero was a meeting by the banks of the River Indus between Chandragupta and Seleucus founder of the Seleucid empire and one of Alexander the Great s generals in c 305 3 BC This significant event was a moment of peace making at the end of conflict But no reliable account exists in early sources and it is not even clear which ruler was victorious in battle This uncertainty enabled British and Indian historians of the nineteenth and twentieth centuries to interpret the sources in radically different ways With Chandragupta representing India and Seleucus standing in for Britain British scholars argued that Seleucus defeated Chandragupta while Indian academics contended the opposite The writing and reception of history fundamentally influences how we engage with the past and the evolving colonial and post colonial relationship between Britain and India is crucial here In India the image of Chandragupta as an idealised hero who vanquished the foreign invader has prevailed and found expression in contemporary popular culture In plays films television series comic books and historical novels Chandragupta is the powerful and virtuous Hindu ruler par excellence The path to this elevated standing is charted in this book

Writing-Publishing Survival Guide Dr. Robert C. Worstell, 2017-04-27 Why This Why Now My muse made me write this Just for you You're welcome The point of this was to do a final brain dump to get this data out in a single package of data outlining the essential points of a writing system you can follow And it's been called concise and easy to follow by my advanced readers What it doesn't have is a bunch of listicals or authoritative sounding link bait The data that supports this book is in another dozen short books I've written and published on the subject In this short book you get the outline and the bare knuckle opinion of who I think is worth a damn to learn from Just because I've spent a lot of time and money on courses that weren't worth it doesn't mean you should have to Meanwhile it's over to you Have fun Leave a review if you like it Buy my other books if it's worth something to you Cheers Get Your Copy Now

Produce, Price and Promote Your Self-Published Fiction or Non-fiction Book and e-Book Paul Lima, 2013-07 If you are interested in this book I presume you have written a book or plan to write one and are thinking of self-publishing it If so this is the place to start If you self-publish a non-fiction book of interest to a defined target market or a book of fiction for people who read the genre you have produced you can begin to promote it to interested readers I have sold close to 10 000 books So while I'm no E. L. James author of the originally self-published 50 Shades of Grey I am a happy and profitable self-published author Perhaps you can become one too Having said that your desire to self-publish may not be all about book sales You may be looking to write a book to give to family and friends You may be looking to gain the credibility that publishing a book gives a speaker or workshop leader You may have other reasons for publishing your book No matter your reason this book will answer many of your self-publishing questions point you in the right direction and get you started In short as the title says this book will help you produce price and promote your self-published book
