Ambedkar S Notes On The English Constitution:

The Ambedkar-Gandhi Debate Bindu Puri, 2022-02-22 This book reconstructs the philosophical issues informing the debate between the makers of modern India Ambedkar and Gandhi At one level this debate was about a set of different but interconnected issues caste and social hierarchies untouchability Hinduism conversion temple entry and political separatism The introduction to this book provides a brief overview of the engagements and conflicts in Gandhi and Ambedkar s central arguments However at another level this book argues that the debate can be philosophically re interpreted as raising their differences on the following issues The nature of the self The relationship between the individual self and the community The appropriate relationship between the constitutive encumbrances of the self and a conception of justice The relationship between memory tradition and self identity Ambedkar and Gandhi s contrary conceptions of the self history itihaas community and justice unpack incommensurable world views These can be properly articulated only as very different answers to questions about the relationship between the present and the past This book raises these questions and also establishes the link between the Ambedkar Gandhi debate in the early 20th century and its re interpretation as it resonates in the imagination and writing of marginalized social groups in the present times *DR. BABASAHEB AMBEDKAR WRITINGS AND SPEECHES VOL. 1 book review*, 2023-08-13 Dr Ambedkar s thoughts as reflected in his writings and speeches have significant importance in tracing the history and growth of social thought in India In the course of time so many of his publications are not even available in the market In some cases the authentic editions are getting out of print Besides as time passes many of his observations in matters social economic and political are coming true Social tensions and caste conflicts are continuously on the increase Dr Ambedkar s thoughts have therefore assumed more relevance today If his solutions and remedies on various socioeconomic problems are understood and followed it may help us to steer through the present turmoil and guide us for the future It was therefore very apt on the part of the Government of Maharashtra to have appointed an Advisory Committee to compile all the material available on Dr Ambedkar for publishing the same in a suitable form All efforts are therefore being made to collect what the learned Doctor wrote and spoke In the present volume besides Castes in India Annihilation of Caste his address on Justice Ranade Federation versus Freedom and other publications some of his articles not easily available such as Small Holdings in India Review on Russell s book etc have also been included

NDA/NA General Knowledge Study Notes [English Edition] , *AMBEDKAR AND THE MAKING OF MODERN INDIA: SOCIAL TRANSFORMATION, DEMOCRACY AND GENDER JUSTICE* Dr. Chittaranjan Mallik, The idea of writing this book has been germinating in my mind for long time but due to certain unavoidable reason could not get it finished Really it is very tough task to put together Dr Babasaheb Ambedkar s ideas and thoughts on entirety in a single book yet this book is an attempt to provide a coherent account on his socio political struggles to establish an egalitarian transformative society with the ideas of liberty equality fraternity and social justice through the Constitutional means with all odds of caste

indignities and challenged the age old social structure intellectually rooting on the ground and rendered unwavering contributions in making modern India **The Foresighted Ambedkar** Anurag Bhaskar,2024-04-11 A great man in Indian politics Dr Ram Manohar Lohia on Dr Ambedkar Dr Ambedkar s role in the cause of social emancipation has been researched and written about extensively His part in the drafting of the Indian Constitution between 1946 and 1950 has also received considerable attention In *The Foresighted Ambedkar* Anurag Bhaskar argues that India s Constitution was drafted not just between 1946 and 1950 but over the course of four decades Dr Ambedkar was the only person to have been involved at all the stages related to the drafting of the Indian constitutional document since 1919 These stages bear the imprint of his contribution and role This book seeks to focus on Dr Ambedkar s influence on the Indian constitutional discourse from 1919 when he entered public life until the actual writing of the Constitution and even beyond Covering the different constitutional moments as and when they happened it highlights Dr Ambedkar s role in those moments A seminal work of intellectual and constitutional history this volume demonstrates why Dr Ambedkar is rightly called the Father of the Indian Constitution

engages with Ambedkar's primary works in both English and Marathi and the debates around them and situates his ideas in the South Asian context making it a comprehensive and insightful commentary on his political philosophy and its relevance for contemporary society
