America A Concise History Volume One To 1877:

America: A Concise History, Volume One: To 1877 James A. Henretta, Rebecca Edwards, Robert O. Self, 2012-01-09 With fresh interpretations from two new authors wholly reconceived themes and a wealth of cutting edge scholarship the Fifth Edition of America A Concise History is designed to work perfectly with the way you teach the survey today Building on the book s hallmark strengths balance explanatory power and a brief yet comprehensive narrative as well as its outstanding full color visuals and built in primary sources authors James Henretta Rebecca Edwards and Robert Self have shaped America into the ideal brief book for the modern survey course at a value that can t be beat

Co-Operative Enterprise in Comparative Perspective Jason S Spicer, 2024-08-23 A rigorous comparative historical analysis of how co operative enterprises in different national contexts this book deploys two different variants of the new institutionalism Spicer treats the US as a central case of comparative failure as contrasted to three rich democracies where the co operative business model has been more successful Finland France and New Zealand

America/ Documents to Accompany America's History James A. Henretta, David Brody, LYNN DUMENIL, Melvin Yazawa, 2009-01-22 *Program of the ... Annual Meeting* Organization of American Historians. Meeting, 2003

America: A Concise History, Volume 1 James A. Henretta, Rebecca Edwards, Robert O. Self, 2014-07-18 Known for its interpretive voice balanced analysis and brief yet comprehensive narrative America A Concise History helps students to make sense of it all while modeling the kind of thinking and writing they need to be successful Offering more value than other brief books America is competitively priced to save your students money and features built in primary sources and new ways of mastering the content so your students can get the most out of lecture and come to class prepared

Program of the Annual Meeting - American Historical Association American Historical Association, 2007 Some programs include also the programs of societies meeting concurrently with the association

Introduction to Afro-American Studies LaVonne Jackson, LaVonne Jackson Leslie, 2005 *OAH Newsletter* , 2004

America, Volume 1: To 1877 / Going to the Source, Volume 1: To 1877 James A. Henretta, David Brody, LYNN DUMENIL, Victoria Bissell Brown, Timothy J. Shannon, 2009-01-22

The Many Panics of 1837 Jessica M. Lepler, 2013-09-16 In the spring of 1837 people panicked as financial and economic uncertainty spread within and between New York New Orleans and London Although the period of panic would dramatically influence political cultural and social history those who panicked sought to erase from history their experiences of one of America s worst early financial crises The Many Panics of 1837 reconstructs this period in order to make arguments about the national boundaries of history the role of information in the economy the personal and local nature of national and international events the origins and dissemination of economic ideas and most importantly what actually happened in 1837 This riveting transatlantic cultural history based on archival research on two continents reveals how people transformed their experiences of financial crisis into the Panic of 1837 a single event that would serve as a turning point in American history and an early inspiration

for business cycle theory **America** James A. Henretta, David Brody, Lynn Dumenil, 1998-03-01 America A Concise History has become the best selling brief book for the U S History survey because of the uncommon value it offers instructors and students alike The authors own abridgement preserves the analytical power of the parent text America s History while offering all the flexibility of a brief book The latest scholarship hallmark global perspective and handy format combine with the best full color art and map program of any brief text to create a book that students read and enjoy *Perspectives* ,2006

Concise History of America and Its People James Kirby Martin, Sam W. Haynes, McMurry, Mintz, 1997 **AHA Perspectives** ,1999 **America: A Concise History, Volume 1: To 1877** James A. Henretta, David Brody, 2009-01-20 Brief and affordable yet careful not to sacrifice elements vital to student learning America gives students and instructors everything they want and nothing they don t The authors own abridgement preserves the hallmark explanatory power of the parent text helping students to understand not only what happened but why so they re never left wondering what s important A unique seven part narrative structure highlights the crucial turning points in American history and explores the dynamic forces shaping each period facilitating students understanding of continuity and change The narrative is enriched and reinforced by vibrant full color art and carefully crafted maps which provide invaluable tools for student comprehension and enrichment Two primary source features in every chapter ensure that students understand historical events as they were viewed nationally and internationally The result is a brief book that in addition to being an excellent price is an excellent value The Slave's Cause Manisha Sinha, 2016-02-23 Traces the history of abolition from the 1600s to the 1860s a valuable addition to our understanding of the role of race and racism in America Florida Courier Received historical wisdom casts abolitionists as bourgeois mostly white reformers burdened by racial paternalism and economic conservatism Manisha Sinha overturns this image broadening her scope beyond the antebellum period usually associated with abolitionism and recasting it as a radical social movement in which men and women black and white free and enslaved found common ground in causes ranging from feminism and utopian socialism to anti imperialism and efforts to defend the rights of labor Drawing on extensive archival research including newly discovered letters and pamphlets Sinha documents the influence of the Haitian Revolution and the centrality of slave resistance in shaping the ideology and tactics of abolition This book is a comprehensive history of the abolition movement in a transnational context It illustrates how the abolitionist vision ultimately linked the slave s cause to the struggle to redefine American democracy and human rights across the globe A full history of the men and women who truly made us free Ira Berlin The New York Times Book Review A stunning new history of abolitionism Sinha plugs abolitionism back into the history of anticapitalist protest The Atlantic Will deservedly take its place alongside the equally magisterial works of Ira Berlin on slavery and Eric Foner on the Reconstruction Era The Wall Street Journal A powerfully unfamiliar look at the struggle to end slavery in the United States as multifaceted as the movement it chronicles The Boston Globe *The Life and Times of George Washington Patterson* Terrence Grant, 2015-10-20 This is the story of

New York Lt Governor George W Patterson Raised in Londonderry New Hampshire he came to the Genesee Valley in New York in 1818 and rose to assembly speaker before moving to Westfield in Chautauqua County as a Land Agent He was a friend of William Seward and Thurlow Weed and in 1848 was elected Lt Govenor with Hamilton Fish as governor In 1876 he was elected to the House of Representatives *Women and the American Experience* Nancy Woloch,1994

Homesteading the Plains Richard Edwards,Jacob K. Friefeld,Rebecca S. Wingo,2017-09 2018 Nebraska Book Award 2018 Outstanding Academic Title selected by Choice Homesteading the Plains offers a bold new look at the history of homesteading overturning what for decades has been the orthodox scholarly view The authors begin by noting the striking disparity between the public s perception of homesteading as a cherished part of our national narrative and most scholars harshly negative and dismissive treatment Homesteading the Plains reexamines old data and draws from newly available digitized records to reassess the current interpretation s four principal tenets homesteading was a minor factor in farm formation with most Western farmers purchasing their land most homesteaders failed to prove up their claims the homesteading process was rife with corruption and fraud and homesteading caused Indian land dispossession Using data instead of anecdotes and focusing mainly on the nineteenth century Homesteading the Plains demonstrates that the first three tenets are wrong and the fourth only partially true In short the public s perception of homesteading is perhaps more accurate than the one scholars have constructed Homesteading the Plains provides the basis for an understanding of homesteading that is startlingly different from current scholarly orthodoxy **Currents in American History: A Brief History of the United States, Volume II: From 1861** Alan C. Elliott,Terry D. Bilhartz,2023-06-14 This book focuses on the historic ramifications of a handful of essential events that shaped the American past It describes the causes of a select number of epoch making events and examines the short and long term consequences of these critical turning point moments
