## Chapter Summaries

### Chapter 1 Summary

"The First Step"

The first step in the American Revolution was the signing of the Declaration of Independence. This document declared the colonies' independence from Great Britain. It was signed on September 3, 1776, in Philadelphia. The document was written by Thomas Jefferson and signed by 56 delegates to the Continental Congress. It stated that the colonies were no longer part of the British Empire and that they were now free and independent states.

### Chapter 2 Summary

"The Battle of the Clouds"

The Battle of the Clouds was a significant battle in the American Revolution. It took place on June 26, 1777, in the Clouds area of the Battle of Brandywine. The British army, led by General William Howe, defeated the Continental Army, led by General George Washington. This battle was a turning point in the war, as it led to the British occupation of Philadelphia and the flight of the Continental Congress to Lancaster and then to York. The battle was a major victory for the British, but it also showed that the Continental Army was still capable of fighting a conventional battle.
