American Miler The Life And Times Of Glenn Cunningham:

American Miler Paul Kiell, M.D., 2014-11-07 Glenn Cunningham set the world record for the mile in the 1930s But as a boy he had been terribly burned in a schoolhouse fire a fire that took the life of his older brother Floyd And that is when Glenn s life quest began He was bed ridden for months The doctors thought he might never walk again But he recovered slowly agonizingly with fierce determination and within a year was both walking and running Huge burn scars covered his legs In high school he was a champion athlete and set a world high school record in the mile He went on to be one of America s greatest runners setting records and winning races with astonishing ease His story however is now largely forgotten but it is an inspiring and timeless one that bears telling in our modern age Throughout the book there is a portrait of sportsmanship and decency rarely seen these days And how Glenn Cunningham spent his life after track is just as inspiring as his accomplishments on the track Paul Kiell has created a detailed dramatic biography of this extraordinary American athlete *American Miler* inspires while capturing the power of the human spirit Kiell s prose and accompanying period photographs vividly chronicle Cunningham s heroic determination in the face of physical challenge A great American story of forging strength from hardship Trisha Meili author *I Am the Central Park Jogger A Story of Hope and Possibility* Dr Kiell has written the definitive biography of a giant figure in American sport who became a vital influence in many young lives Robert J Corrigan author *Tracking Heroes 13 Track and I remember Cunningham as a friend the noblest of the best* Paul Borel former classmate and teammate of Glenn Cunningham
