An Unsung Hero William M. Forsythe, 2015-01-18 A World War II draftee Jimmy Ray Lewis landed in France as an infantry rifleman shortly after D Day and joined the 104th Division of the U S Army nicknamed the Timberwolves His experiences from boot camp in Arkansas to marching in the Victory Parade in San Francisco are detailed in this memoir of personal transformation from innocent recruit to hardened combat veteran In 200 days of fighting on the front lines of Europe Private Lewis details his fears of snipers machine guns and mine fields His descriptions of artillery bombardments liberating the Nordhausen work camp and meeting the Russians reflect the thoughts of a man struggling with his own values in a world where life and death are the only constants Unsung Heroes of World War II Deanne Durrett, 2022-01-21 On February 23 1945 U S Marines claimed victory in the battle of Iwo Jima one of the most important battles in the Pacific islands during World War II Instrumental to this defeat of Japanese forces was a group of specialized Marines involved in a secret program Throughout the war Japanese intelligence agencies were able to intercept and break nearly every battlefield code the United States created The Navajo Code Talkers however devised a complex code based on their native language and perfected it so that messages could be coded transmitted and decoded in minutes The Navajo Code was the only battlefield code that Japan never deciphered Unsung Heroes of World War II details the history of the men who created this secret code and used it on the battlefield to help the United States win World War II in the Pacific Heroes of the Battlefield Brian Williams, Brenda Williams, 2016-08-11 The year is 1939 Germany led by Adolf Hitler has invaded Poland The world is about to enter into the biggest and most terrible war in history But from the depths of despair rose some very courageous selfless individuals such as Douglas Bader Leonard Bud Lomell and Joan Daphne Pearson who risked their lives for the sakes of others in need often for no gain and with no recognition Here are some of their incredible stories **Snipers at War** John Walter, 2017-05-30 Snipers at War is a detailed history and analysis of the equipment tactics and personalities of the sniping world from the pursuit of accuracy to the latest electronic aids to observation and ranging Technology and marksmanship from the Crimean War to the present day is examined in detail The role of the sniper was largely ignored until the Winter War of 1939 40 between Finland and the USSR showed what could be achieved by specialist marksmen Finn Simo Hyh amassed 505 kills in less than a hundred days a lesson learned by the Red Army to its cost By the Germans invasion of 1941 the Russians were prepared when the war ended in addition to men such as Vasiliy Zaytsev a Stalingrad hero with 242 accredited kills the USSR had trained more than 2000 women as snipers After 1945 the sniper s reputation declined again However the Vietnam War seemingly unending Middle Eastern conflict internal strife in Sri Lanka and ever present urban threats have given new impetus not only to sniping but also to the development of new and more effective weaponry Voices of Snipers John Walter, 2022-05-30 Based on an incredible breadth of first hand testimony this is a unique collection of eyewitness accounts from World War I and II John Walter draws on meticulous research and the reminiscences

The Reserve Ed St Amour,2022-02-24 War stories are always about the fighters the men and women on the frontline the people putting their lives on the line for their country But that is only half of the story Without the support troops an army would not last long at all This book is all about the actual and true adventures of the members of an Army finance unit No blood and guts no firefights no heroic acts of bravery just the insane happenings of one guy thrust into a unit he has no training for and how he and the rest of the reserve finance unit coped with the facts of being dropped into the middle of a war The book is easy to read The stories are presented as individual happenings Some are funny some are informative some are just bizarre but in war bizarre is many times the order of the day How does someone trained in military intelligence cope with existing in a finance unit There is no compatibility of training or expertise A finance unit does not have a lot of use for someone trained in image interpretation or interrogation Military intelligence does not teach their people how to fill out DD213s or is it 214s Laugh learn and look into the lives of some unique people that were put into a strange and surreal situation and how well they coped with their situation and invented solutions to their problems Enjoy
