Teaching New Religious Movements David G. Bromley,2007-05-25 Since its inception around 1970 the study of New Religious Movements NRMs has evolved into an established multidisciplinary field At the same time both the movements and the scholars who study them have been the subjects of intense controversy In this volume a group of senior NRM scholars who have been instrumental in the development of the field will offer pivotal essays that present the basics of NRM scholarship along with guidance for teachers on classroom use The book is organized topically around subjects that are both central to the study of NRMs and likely to be useful to non specialists Part I contains examinations of the definitional boundaries of the area of study varying disciplinary perspectives on NRMs unique methodological ethical problems encountered in the study of NRMs and the controversies that have confronted scholars studying NRMs and the movements themselves Part II examines a series of topics central to teaching about NRMs the larger sociocultural significance of the movements their distinctive symbolic and organizational features the interrelated processes of joining and leaving NRMs the organization of gender roles in NRMs media and popular culture portrayals of the movements the occurrence of corruption and abuse within movements and violence by and against NRMs Part III provides informational resources for teaching about NRMs which are particularly important in a field where knowing the biases of sources is crucial With its interdisciplinary approach the volume provides comprehensive accessible information and perspectives on NRMs It is an invaluable guide for instructors navigating this scholarly minefield Apostate! No More Bazoo-dee: A Grenadian Quest to Think Outside the Box

Seon M. Lewis,2015-10-13 Most if not all Grenadians have grown up hearing stories of la diablesse lagahou and sookooyant But have you ever wondered about the origin of these stories This book just doesn't re-tell these stories It traces their origins and looks at them as being influential in helping shape our self identity and our interpersonal relationship In fact this book examines and critiques aspects of the Grenadian sociocultural and sociopolitical culture that seek in many ways to minimize and suppress the individual's search for self identity especially as he or she tries to pursue knowledge that appears to be outside the socially accepted In doing so this book follows the author's journey as he analyzes old ideas and engaged with new ones Also central to this book is that it seeks to help the individual develop his or her moral and ethical awareness

The Future of God in the Global Village Thomas R. McFaul, 2011-10-11 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that the earth's diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent

City of 201 Gods Jacob Olupona, 2011-12-13 Olupona does a masterful job of interweaving historical detail personal interviews and observations Here myth becomes lived reality and one is forced to take pause and ask what and where indeed are the true powers that enable humans to inhabit the modern city Charles H Long author of *Significations Signs Symbols and Images in the Interpretation of Religion* This book is destined to be the authoritative source on one of the most important religious centers and one of the most fascinating ethnic groups in sub Saharan Africa This is a remarkable and engaging piece of research by a first class scholar who knows his discipline and his native culture Barry Hallen author of *The Good the Bad and the Beautiful Discourse About Values in Yoruba Culture*

Representing Religion Tim Murphy, 2014-12-05 If religion is continually in a state of flux how can the study of religion critically examine contemporary religious beliefs and values *Representing Religion* critically examines this crisis of representation The volume traces the history of religious studies critiquing the concept that experience is central to understanding religion The views of influential semioticians and philosophers notably Nietzsche Saussure Foucault Barthes and Bakhtin are used to construct a new methodology for the critical study of religion *Representing Religion* will be of interest to students and scholars of semiotics as well as theory and method in religious studies

American Journal of Islamic Social Sciences 12:2 Ahdulkader I. Tayob, Mohammad A. Chaudhary, Abdel Rahman Ahmad Abdel Rahman, louay Safi, Muhammad Iqbal Anjum, The American Journal of Islamic Social Sciences AJISS established in 1984 is a quarterly double blind peer reviewed and interdisciplinary

journal published by the International Institute of Islamic Thought IIIT and distributed worldwide The journal showcases a wide variety of scholarly research on all facets of Islam and the Muslim world including subjects such as anthropology history philosophy and metaphysics politics psychology religious law and traditional Islam Faith, Religion & Theology Brennan Hill, Paul F. Knitter, William Madges, 1997 This thoroughly updated text offers students and adults an overarching perspective The Faith section focuses on the nature of human faith and Christian faith The Religion section examines the personal and social value of religion religious belief and behavior and offers an overview of major world religions The Theology section includes an analysis of the theology faith relationship Suggested readings and study questions excellent end notes and index add to the value of this edition Understanding World Religions Irving Hexham, 2011-03-22 Globalization and high speed communication put twenty first century people in contact with adherents to a wide variety of world religions but usually valuable knowledge of these other traditions is limited at best On the one hand religious stereotypes abound hampering a serious exploration of unfamiliar philosophies and practices On the other hand the popular idea that all religions lead to the same God or the same moral life fails to account for the distinctive origins and radically different teachings found across the world's many religions Understanding World Religions presents religion as a complex and intriguing matrix of history philosophy culture beliefs and practices Hexham believes that a certain degree of objectivity and critique is inherent in the study of religion and he guides readers in responsible ways of carrying this out Of particular importance is Hexham's decision to explore African religions which have frequently been absent from major religion texts He surveys these in addition to varieties of Hinduism Buddhism Judaism Christianity and Islam *Religion in America* Timothy L. Hall, 2007 Presents an overview of the history of religion in America and includes excerpts from primary source documents short biographies of influential people and more **Re-imagining South Asian Religions**, 2012-12-03 Re-imagining South Asian Religions is a collection of essays offering new ways of understanding aspects of Hindu Tibetan Buddhist Sikh Jain Theosophical and Indian Christian experiences Moving away from canonical texts established authorities and received historiography the essays in this volume draw from a range of methodological perspectives including philosophy history hermeneutics migration and diaspora studies ethnography performance studies lived religion approaches and aesthetics Reflecting a balance of theory and substantive content the papers in this volume call into question key critical terms challenge established frames of reference and offer innovative and alternative interpretations of South Asian ways of knowing and being
