Ford,2017 Three common routines are seen in almost every primary language arts programs morning messages shared readings and word walls These routines should be integrated to support the total language arts program but are teachers of grades K 2 getting the most bang for their buck out of these activities Morning messages can become very routinized and repeat the same experiences over and over again Shared readings are sometimes conducted with little variation in spite of changing demands from the texts being used and changing needs in the learners with whom they are being used Word walls might be put up with some attention early in the year and remain virtually unchanged as the year moves forward Intensifying Classroom Routines in Reading and Writing Programs focuses on how teachers can get more instructional mileage out of these three common classroom routines Author Michael P Ford lays out step by step day by day plans to put those three key routines on a cycle that changes as students move through developmental phases This resource helps teachers plan for emergent and early readers and writers It also looks at how teachers can assist students as they move through critical areas including concepts of print alphabetic knowledge phonological awareness sound symbol relationships high frequency words structural analysis context clues comprehension strategies and composition strategies With these intensified routines in place students will clearly see connections between reading and writing **Making the Moment Matter** Muffet Trout,2012-12-30 Making the Moment Matter is a wonderful contribution to the literature on meaningful teacher education Grounded in Nel Noddings relational ethic of care this finely written book explores both the moral foundations and the lived realities of facilitating teacher development through pedagogical caring Trout s theoretically rich carefully designed and engaging inquiry could not be more timely In an era when reform talk in teaching and teacher education is increasingly characterized by reference to outcomes accountability and value added measures this book reminds us that better teaching is a process centered on caring relationships Her work has a great deal to offer many different readers educational researchers interested in models of well crafted studies of practice teacher educators looking for insights into the complex work of teacher development and others who wish to learn more about the manner of relationships that stand at the heart of education *The Principal's Companion* Pam Robbins,Harvey B. Alvy,2003 This book adds extremely relevant knowledge

and skills for innovative reformers and for more traditional leaders alike It provides a solid set of interesting and shrewd suggestions that can be used immediately by practising principals From the Foreword by Kent D Peterson Professor Department of Educational Administration University of Wisconsin Madison Despite the administrative leadership training that most principals receive in university courses their most useful learning doesn't occur until they are on the job And the new knowledge much of it the result of trial and error success and failure is gained in relative isolation simply because there is no one else at that responsibility level within the school Pam Robbins an educational consultant and Harvey B Alvy a practicing principal offer a well organized interactive manual for the role of principal They have worked with hundreds of schools educators and other organizations around the world collecting data that form the basis for The Principal's Companion This easy to read book combines the most helpful tried and true strategies with the most relevant leadership research and theory The authors discuss creative leadership and necessary skills the wide variety of roles played by principals how to create a learning community personal and professional issues and much more Quotes from practicing principals are included throughout the book and readers are encouraged to jot down their own reflections about each chapter theme The Principal's Companion is a rare opportunity to collaborate with other principals an excellent professional resource that will be referred to again and again Ideal for practicing and aspiring principals it is also highly useful as a text for administration courses
