Analogies Holt Environmental Science Analogies:

Metaphors and Analogies in Sciences and Humanities Shyam Wuppuluri,A. C. Grayling,2022-05-30 In this highly interdisciplinary volume we systematically study the role of metaphors and analogies in mis shaping our understanding of the world Metaphors and Analogies occupy a prominent place in scientific discourses as they do in literature humanities and at the very level of our thinking itself But when misused they can lead us astray blinding our understanding inexorably How can metaphors aid us in our understanding of the world What role do they play in our scientific discourses and in humanities How do they help us understand and skillfully deal with our complex socio political scenarios Where is the dividing line between their use and abuse Join us as we explore some of these questions in this volume **Annual Proceedings of Selected Research and Development Presentations at the ...
