dealer only ring binder that contained all of the individual service sheets totaling to almost 500 pages This manual is a compilation of the service sheets that were collated and published by BSA in the late 1950 s and early 1960 s under part numbers 00 4017 pre swing arm and 00 4047 swing arm which excluding duplicates consisted of 44 service sheets in total However an additional 14 sheets from the ring bound dealer only publication have been added to produce a single manual containing 58 service sheets 190 pages that cover the entire range of pre unit A7 and A10 models from 1947 to 1962 Please note that service sheets in the 300 700 and 800 series that are included in this publication will also include data that is applicable to other model groups as that was the original intention For additional information the reader is directed to The Book of the BSA Twins 650cc 500cc 1948 1962 ISBN 9781588500977 **Yamaha RD400 Twin Owners Workshop**
