

APUSH Notes Unit 3

Chapter 11 & 12

10/18/22

- Thomas Jefferson's Embargo Acts:
 - Jefferson, being a Francophile and an Anglophobe, our relationship with France grew stronger while that with Britain became weaker → The British would harass US trade ships
 - Napoleon believed that the US was somewhat indebted to France as a cause of their help during the Revolution → With Jefferson's presidency, it was widely thought that Jefferson would reverse the Neutrality Proclamation, however with Napoleon being a military dictator, this would be dangerous for Americans → He did not want to join the Continental system (the unified economy within Europe - EU - European Union)
 - With America remaining neutral with France, American shipping was heavily harassed → Now being under attack by both the British and French, Jefferson signed the Embargo Act
 - Embargo Act of 1807: Forbid trade with all countries involved in war → Damaged the economy causing a recession
 - Non-Intercourse Act of 1809: Allowed trade with all countries except Britain and France
- In attempt to fix the now floundering economy of the US, Madison signed Macon's Bill No. 2 (1810) → Allowed for trade to resume in exchange for the safety of merchant ships
- With Jefferson stepping down after 2 terms, Madison (Jefferson's Secretary of State), was elected as the next president
- The Treaty of Greenville (in Ohio), was with the Shawnee tribe → Signed after the Battle of Fallen Timbers (William Henry Harrison later killed Tecumseh in the Battle of Thames leading to the end of Shawnee resistance)- promised that the northwest of Ohio would be reserved as Shawnee territory → This treaty was then ignored by settlers and war broke out between the Natives and Americans
- The British were providing Shawnee tribes with money and weapons, thus becoming the third party involved
- James Madison: (1751-1836)
 - Pushed for war with England → President during the the War of 1812 (sometimes called Madison's War)
- Dolly Madison: (1768-1849)
