

APUSH Unit Timeline!

Compare the 3 colonizers (French, Brits, Spanish) Salutory Neglect of US Colonies

1607 - 1754

Europeans and American Indians maneuvered and fought for dominance, control, and security in North America, and distinctive colonial and native societies emerged.

The British colonies participated in political, social, cultural, and economic exchanges with Great Britain that encouraged both stronger bonds with Britain and resistance to Britain's control.

European colonization efforts in North America stimulated intercultural contact and intensified conflict between the various groups of colonizers and native peoples.

War of 1812 shows with staying power Imperialism, American Democracy, esp of common man, Democracy opening up a life

1800 - 1848

Reconstruction, the 20th century.

The new republic struggled to define and extend democratic ideals in the face of rapid economic, territorial, and demographic changes.

The United States began to develop a modern democracy and celebrated a new national culture, while Americans sought to define the nation's democratic ideals and change their society and institutions to match them.

Innovations in technology and commerce powerfully accelerated the American economy, creating profound changes to U.S. society and to national and regional identities.

The U.S. interest in increasing foreign trade and expanding its national borders grew as we dealt with the world and started government and private initiatives.

1492 - 1607 Natives before Columbus, Columbian Exchange

On a North American continent controlled by American Indians, contact among the peoples of Europe, the Americas, and West Africa created a new world.

Contact among Europeans, Native Americans, and Africans resulted in the Columbian Exchange and significant social, cultural, and political changes on both sides of the Atlantic Ocean.

Fr. and Ind. war debt ends Salutory Neglect - Britain needs taxes, tensions flare, revolution breaks out, Constitution created amidst debates of government, Federalists / Anti-Federalists

1754 - 1800

British imperial attempts to reassert control over its colonies and the colonial reaction to these attempts produced a new American republic, along with struggles over the new nation's social, political, and economic identity.

British attempts to assert tighter control over its North American colonies and the colonial resolve to pursue self-government led to a colonial independence movement and the Revolutionary War.

The American Revolution's democratic and republican ideals inspired new experiments with different forms of government.

Migration within North America and competition over resources, boundaries, and trade intensified conflicts among peoples and nations.
