AQA English Language and Literature Revision and Exam Practice: York Notes for GCSE (9-1) ebook edition Steve Eddy, 2018-09-06 To achieve top grades in English Language and Literature you'll have to master some key skills and get plenty of practice. With everything you need right at hand, this York Notes Revision and Exam Practice guide will help you quickly and efficiently conquer the basics, study effectively, revise with ease, and face your exams with confidence. **A2 English Language and Literature for AQA B** Alison Ross, Jen Greatrex, 2001 Includes material that covers the AQA English literature and English language specification B syllabuses. Offering exam and coursework tips, this title focuses on assessment objectives to help students learn how to achieve maximum results. **A/AS Level English Language and Literature for AQA Student Book** Marcello Giovanelli, Andrea Macrae, Felicity Titjen, Ian Cushing, 2015-07-09 A new series of bespoke full coverage resources developed for the 2015 A Level English qualifications. Endorsed for the AQA A/AS Level English Language and Literature specification for first teaching from 2015, this print Student Book offers stretch opportunities for the more able and additional scaffolding for those who need it. Providing full coverage of the specification, the unique three-part structure bridges the gap between GCSE and A Level and develops students' understanding of descriptive linguistics and literary and non-literary stylistics, together with support for the revised coursework component and new textual intervention task. An enhanced digital edition and free Teacher's Resource are also available. **AQA GCSE 9-1 English Language and Literature Workbook** Collins GCSE, 2022-07-07 **AQA English Language Paper 1 Practice Papers** Grainne Hallahan, Andrew Bruff, 2019-03-08 If you're at this point, you must be getting ready for your English language exams, so we have a few words of advice for you. Exams aren't bad. They're your opportunity to show off just how much you know about English, and you have been studying it since you were five, so you definitely know a thing or two. Don't worry about your exams; worry never changes anything. Instead, try and see them as an opportunity to show off what you know. Practising exam papers is a good way to revise, and because this exam is still relatively new, there aren't that many past papers out there. The papers in this book have been created to try and replicate the exam experience for you. Some people might suggest using your literature texts for practice, but the whole point of this exam is that it is unseen. It's best to work on extracts you've never read before. There is more than one way to tackle an exam paper. You could sit it in one go and complete it in exam conditions from start to finish. You could go at the papers gently with modelled examples in front of you to help check out the videos at [youtube.com/mrbruff](https://www.youtube.com/mrbruff). Another method is to try three questions in a row, sliding through the paper. You might want to complete all of the Section B questions before beginning Section A. However, you do it, take your time and use the indicative content at the end to check your work. The indicative content isn't everything. You might make a point that we haven't included. Marking your own work is quite difficult, so although these are good to practise on, you should share with someone who understands the marking system to mark your work and give you feedback. This book is not a guide to the exam.
