

A top-down view of a gardening workspace. The background is a dark, rich soil. In the upper left, there are several small potted plants with green, needle-like leaves. In the upper right, a larger plant with dense, green, fern-like foliage is in a wooden planter. In the lower left, a plant with broad, green, rounded leaves is in a terracotta pot. In the lower right, a plant with large, green, rounded leaves is in a wooden planter. In the center, there is a small pile of dark soil. A hand trowel with a wooden handle and a metal blade is lying on the soil. A small, dark, rectangular object, possibly a seed packet or a small container, is also visible near the center. The overall scene is well-lit, with the green of the plants contrasting sharply with the dark soil.
