

UNANSWERED CRIES

AUTHOR: Osman Conteh

SETTING: Sierra Leone

Meaning and relationship between the title and content:-

UNANSWERED CRIES:- The title can be taken to mean refusing to grant or accept some ones request/wish for something or refusing to cooperate with someone in accomplishing something. The book is mainly about female genital mutilation (FGM) and its supposed benefits.

A mother's desire and wish to have her daughter circumcised are frustrated, refused denied and even mocked. According to Makalaay and indeed the entire village women led by the Bondo secret society, its only through circumcision that a girl would be able to prepare adequately for parenthood, be submissive, faithful and loyal to her husband and possess self-control without which she would be despised, mocked and even be rejected for marriage! She therefore takes it upon herself to get her daughter circumcised but all her efforts are frustrated, blocked and not reciprocated as follows:-

Her daughter Olabisi flatly refuses to cooperate with her on the matter of circumcision and runs away from her home back to the city. This is her first hurdle which she fails to overcome. This was first the setback she met.

Also the hunter (Pa Amadu) whom she contracted to help get her daughter back colludes with her (Olabisi) and helps her escape back to the city. It's like everyone and everything is conspiring against her. Here we see how her efforts to get her daughter back continue to hit one dead wall after another.

Her ex-lover (Ade Jones) flatly refuses to cooperate with her in her quest to have Olabisi circumcised. Her threats & theatrics don't move him an inch. He even threatens to kill her if she doesn't vacate his premises. So here again we see Makalaay's desire to have Olabisi circumcised blocked by her father hence unanswered cries.

Yah Posse and other members of the Bondo Secret Society's efforts to have Olabisi circumcised all hit a dead end; she escapes from their captivity by fighting her way out this fight becomes the proverbial last straw that broke the Camel's back. Its gets personal from then onwards since they are on a mission to teach her a lesson for clearly showing contempt and disregard for their customs and beating Yah Powney's daughters.

Kent,2001-10-01 Certainly religious strains were evident through postwar popular culture from the 1950s Beat generation into the 1960s drug counterculture but the explosion of nontraditional religions during the early 1970s was unprecedented This phenomenon took place in the United States and at the edges of American influenced Canadian society among young people who had been committed to bringing about what they called the revolution but were converting to a wide variety of Eastern and Western mystical and spiritual movements Stephen Kent maintains that the failure of political activism led former radicals to become involved with groups such as the Hare Krishnas Scientology Sun Myung Moon s Unification Church the Jesus movement and the Children of God Drawing on scholarly literature alternative press reportage and personal narratives Kent shows how numerous activists turned from psychedelia and political activism to guru worship and spiritual quest as a response to the failures of social protest and as a new means of achieving societal change The 24-Hour Echo VEJAI RANDY ETWAROO,2024-12-23 Twenty four hours Certain death In a city where suicide has become a contagion behavioral psychologist Dr Evelyn Reed faces her most challenging case yet When seemingly unconnected individuals begin taking their lives exactly 24 hours after receiving an identical encrypted message she knows she s not dealing with ordinary suicides This is something far more sinister Paired with Detective Jack Stratton a skeptical but determined investigator Evelyn must decode a maze of digital breadcrumbs and psychological manipulation before the next message claims another victim As they dive deeper into a labyrinth of encrypted communications and psychological warfare they discover they re not just chasing a killer they re hunting a mastermind who s weaponized modern technology to exploit the darkest corners of human consciousness With each new text message another countdown begins Racing against time Evelyn and Jack navigate through layers of digital deception to prevent the next death But in a world where technology can bend reality and reshape free will nothing is as it seems The closer they get to the truth the more they realize they may be playing directly into their adversary s carefully calculated game one where the difference between manipulation and choice becomes terrifyingly unclear A gripping psychological thriller that explores the dangerous intersection of technology human behavior and the power of suggestion in our hyper connected world Polyphony and Symphony in Prophetic Literature Mark E. Biddle,1996 Historical criticism generally has viewed Jeremiah and other prophetic books as anthologies of nonrelated oracles and prose materials Recent literary critical analysis sees the same materials as fictive literary products

thus ignoring the composite nature of prophetic literature in favor of a strategy of reading which threatens to force homogeneity on that literature In contrast Biddle proposes a method of reading that listens to the voices and characterizations as defined and presented in the text as we have it The complex history of Jeremiah for example should not be reduced to an anthology of unrelated oracles or to a single text produced by a fictive author In comparison to newer literary theory Biddle explains the method proposed here resembles the task of the sophisticated concertgoer who hears not only the sound of the orchestra but the voices of the different instruments and the various melodies counter melodies and harmonies contributing to the whole This method reflects an interest in developing something of a new harmonic theory of prophetic literature Some such theory and method is necessary because prophetic music is symphonically complex Historical critical and literary critical readers can recognize only plainsong Biddle proposes to listen to the full symphonic polyphony of the prophetic voices
