

Problem 22-1A (Static) Responsibility accounting performance reports; controllable and budgeted costs LO P1

Ann Peters is the plant manager of Travel Free's Indiana plant. The Carpenter and Traher operating departments manufacture products and have their own managers. The Office Department, which Peters submanages, provides services equally to the two operating departments.

Each performance report includes only those costs that a plant manager or department manager can control directly: materials, direct labor, supplies used, and utilities. The plant manager is responsible for the department managers' salaries, building rent, office salaries other than her own, and other office costs; plus all costs controlled by the two controlling department managers.

The annual departmental budgets and actual costs for the two operating departments follow.

For Year Ended December 31	Budgeted		Actual	
	Carpenter	Traher	Carpenter	Traher
