

Unit 4 Study Guide

The Jeffersonian Era

Major changes:

- Rise of education due to Republican ideals for an educated citizenry
 - Increased efforts to “educate” Indians (“noble savages”)
- Strengthening of the medical community as physicians started displacing midwives, narrowing opportunities for women and restricting access to childbirth care for poor mothers
- Growth of a distinct American culture that differed from European influences
 - Noah Webster—advocated for the American schoolboy to be educated as a nationalist
 - Washington Irving—widely acknowledged leader of American literary life
- Revivalism—the Second Great Awakening
 - Deism (God is real, but isolated from humans)
 - Spread of idea that religious salvation could be achieved through repudiation of skeptical rationalism and through faith/good works
 - Opened up opportunities of importance for women as women converts outnumber males
 - Handsome Lake—revivalism of native American religions
- Growth of technology allowed for industrialization through an efficient transportation network
 - Cotton gin (Eli Whitney, 1793)—allowed for heavily increased profitability of cotton in the South, firmly planted the slave system, and provided much profit for the national economy
 - Interchangeable parts—contributed to the development of mass manufacturing of machine tools
 - Development of the steamboat and turnpikes
- Jefferson persuaded Congress to abolish all internal taxes, while Secretary of the Treasury Albert Gallatin reduced government spending
 - Administration was able to cut the national debt almost in half
- Scaled down the armed forces (national army) by almost half
- Rise of the judiciary branch as a coequal branch of the gov. (Marshall’s decisions, *Marbury v. Madison*)
- Doubling of American land through the Louisiana Purchase
- Exploration of the West (Lewis and Clark, Zebulon Pike)
- Exploitation of Indian treaties and westward expansion
 - Jeffy appoint William Henry Harrison to administer the solution to the “Indian problem” (an ultimatum between assimilation or relocation)
 - Led to Indian resistance in coalition with the British before the War of 1812
- Proliferation of Federalist secessionist opposition (Hartford Convention of 1814 during Madison’s presidency)

Continuities:

- Native Americans/African Americans still remained at the bottom of the social hierarchy
- America remained an overwhelmingly rural/agrarian nation, nation’s top cities still couldn’t compare with England’s big cities
- National debt still remained present after Jefferson’s actions
- Two-party system still remained (Federalists vs. Republicans)

Jefferson: a true Republican, or a charlatan?

- Attempted to cut down government spending and was able to cut down the national debt, but national debt still remained prominent
- Armed forces were scaled down, but were built back up for the First Barbary War with Tripoli

Apush Unit 4 Study Guide Brinkley

N Noddings

Apush Unit 4 Study Guide Brinkley:

Enjoying the Tune of Term: An Mental Symphony within **Apush Unit 4 Study Guide Brinkley**

In some sort of used by displays and the ceaseless chatter of instant communication, the melodic splendor and mental symphony produced by the prepared term usually fade in to the backdrop, eclipsed by the constant noise and interruptions that permeate our lives. But, nestled within the pages of **Apush Unit 4 Study Guide Brinkley** a stunning fictional prize overflowing with natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant composer of language, that charming masterpiece conducts readers on a psychological trip, well unraveling the concealed melodies and profound impact resonating within each carefully constructed phrase. Within the depths with this emotional assessment, we will examine the book is central harmonies, analyze its enthralling writing type, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
