

APUSH Period 5 Multiple Choice Test

The questions below are based on the 1856 Sumner-Brooks political cartoon below.

1. The sentiments such as those depicted in the cartoon above most directly contributed to which of the following?
 - a. Breakdown in trust between sectional leaders
 - b. The willingness of abolitionists to use violence to achieve their goals
 - c. Repeated attempts at political compromise
 - d. The secession of Southern states
2. The cartoon above is best understood in the context of the
 - a. North's increasing reliance on a free-labor manufacturing economy.
 - b. variety of proposals leaders made that ultimately failed to reduce sectional conflict.
 - c. willingness of abolitionists to use violence to achieve their goals.
 - d. weakening of loyalties to the two major parties.

Use the excerpt below to answer the questions that follow.

"The question is simply this: can a negro whose ancestors were imported into this country and sold as slaves become a member of the political community formed and brought into existence by the Constitution of the United States, and as such become entitled to all the rights, and privileges, and immunities, guaranteed by that instrument to the citizen, one of which rights is the privilege of suing in a court of the United States in the cases specified in the Constitution? In the opinion of the court, the legislation and histories of the times, and the language used in the Declaration of Independence, show that neither the class of persons who had been imported as slaves nor their descendants, whether they had become free or not, were then acknowledged as a part of the people, nor intended to be included in the general words used in that memorable instrument."

3. The above opinion is a response to which Supreme Court case?
 - a. *Plessy v. Ferguson*
 - b. *Amistad*
 - c. *Marbury v. Madison*
 - d. *Dred Scott v. Sanford*
4. Based on the above excerpt, what can be concluded about the political status of individuals not considered free persons?
 - a. Citizenship can be gained over time.
 - b. Their rights depend on location within the United States.
 - c. These individuals have some rights.
 - d. These individuals are considered property.

5 Steps to a 5 : AP U.S. History Stephen Armstrong, 2003-12-15. An exciting new series of study guides that lets each student design a course of study pitched to his or her individual needs and learning style. Each year more than one million U.S. high school students take one or more advanced placement AP exams, and according to official projections that number will continue to rise in the years ahead. That is because AP exams confer important benefits on those who do well on them. High AP scores are indispensable to gaining admission to most elite colleges. They provide students with a competitive edge when competing for grants and scholarships. And they allow students to bypass required university survey courses, saving on skyrocketing tuition fees. Designed to coincide perfectly with the most current AP exams, *Five Steps to a 5 on the Advanced Placement Examinations* guides contain several advanced features that set them above all competitors. Each guide is structured around an ingenious Five Step Plan. The first step is to develop a study plan, the second builds knowledge, the third and fourth hone test-taking skills and strategies, and the fifth fosters the confidence students need to ace the tests. This flexible study tool is also tailored to three types of students. For the more structured student, there is a Month-by-Month approach that follows the school year, and a Calendar Countdown approach that begins with the new year. For students who leave studying to the last minute, Basic Training covers the basics in just four weeks. Other outstanding features include sample tests that closely simulate real exams, review material based on the contents of the most recent tests, icons highlighting important facts, vocabulary, and frequently asked questions, boxed quotes offering advice from students who have aced the exams, and from AP teachers and college professors, websites and links to valuable online test resources, along with author e-mail addresses for students with follow-up questions. Authors who are either AP course instructors or exam developers.

5 Steps to a 5 AP U.S. History, Second Edition Stephen Armstrong, 2006-12. Presents hundreds of tips and strategies designed to help students in Advanced Placement history classes score high on the AP exam and earn valuable college credits. Includes three customized study programs, practice exams, and terms and concepts needed to get higher scores.

CliffsNotes AP U.S. History Flashcards Paul Soifer, 2008-12-15. *CliffsNotes AP U.S. History Flashcards* includes the following: 950 print flashcards, 2 color question term on front of card, answer on back of card, plus 50 blank flashcards for students to create their own questions. Flashcards are divided into topics covered on the AP U.S. History exam, with each flashcard's topic identified in a running head. 4 color box, shrink wrapped.
