

The background of the poster is a misty, foggy landscape. In the foreground, there are bare, gnarled tree branches reaching across the top and left sides. A wooden cross is visible on the left side, partially obscured by the fog. The ground appears to be a dirt path or a field. The overall atmosphere is eerie and somber, fitting for a Halloween-themed movie.

Discipline in 1970 and quickly became the go to family expert for evangelical parents across the United States as American evangelicalism rose as a major political force The family expert became a leading voice in the Reagan Revolution and played a role in making American evangelicals even more firmly associated with the Republican Party Dobson s principle beliefs are that the family is the center of Christian America and that the traditional family must be defended from perceived threats such as gay rights feminism abortion and the secularization of public schools Dobson and Focus on the Family dominated Christian media through print radio and online venues and their message reached millions of American evangelical households shaping the cultural sensibilities and political attitudes of evangelical families throughout the culture wars from the 1980s into the 2000s Family Matters James Dobson and Focus on the Family s Crusade for the Christian Home by Hilde L vdal Stephens is an insightful history and analysis of James Dobson s rise to fame effect on American evangelical culture and subsequent descent from relevance Extensively researched L vdal Stephens scoured through Dobson s books articles and other materials published by Focus on the Family in order to explore how evangelicals defined and defended the traditional family as an ideal and as a symbol in an ever changing world By contextualizing the history of Dobson s reign L vdal Stephens s discerning analysis fills an important gap in our understandings of the politics and culture of late twentieth century conservative Christianity in the United States She explores complex topics ranging from Dobson s celebration of what he believes are timeless biblical values such as maintaining strict and defined gender roles to the ways Dobson and Focus on the Family balanced their basic ideals with real everyday lives of average American evangelical families facing the realities of divorce working mothers and other perceived threats to the traditional family The Athenaeum ,1866 **The Possibility of Philosophy** Maurice Merleau-Ponty,2022-01-15 The Possibility of Philosophy presents the notes that Maurice Merleau Ponty prepared for three courses he taught at the Coll ge de France The Possibility of Philosophy Today given in the spring semester of 1959 and Cartesian Ontology and Ontology Today and Philosophy and Nonphilosophy since Hegel both given in the spring semester of 1961 The last two courses remain incomplete due to Merleau Ponty s unexpected death on May 3 1961 Nonetheless they provide indications of the new ontology that informed The Visible and the Invisible a posthumously published work that was under way at the same time These courses offer readers of Merleau Ponty s late thought a wealth of references to painting literature and psychoanalysis and to the works of Husserl Heidegger Descartes Hegel and Marx that fill in some of the missing pieces of The Visible and the Invisible especially its often terse and sometimes cryptic working notes We see more clearly how Merleau Ponty s attempt to bring forth a new ontology indicates a fundamental revision in what it means to think an attempt to reimagine the possibility of philosophy **The Saturday Review of Politics, Literature, Science and Art** ,1866 Studying Babies and Toddlers Liang Li,Gloria Quiñones,Avis Ridgway,2017-02-14 The editors of this book have brought together contributors from many parts of the world As such the book offers a truly diverse international flavour reflecting a broad range of research on babies and toddlers Examining examples from both
