A Journey Through Breast Cancer:

My Journey Through Breast Cancer Eve Preste, 2012-10 Eve Preste aka Eve Dolansky grew up in a small town in Appleton New York on a large fruit farm She went to college at Niagara University and Buffalo State College to study journalism After meeting her first husband she moved to Florida and had two daughters Alexis and Sierra She then embarked on a 20 year journey in the financial industry At 45 she was diagnosed with breast cancer Journaling became her vehicle of deliverance from a bottomless abyss Writing in her journal allowed a to spend time and make some sense of this surreal dream By exploring deep within her she began to develop clarity in the midst of a storm After yielding to the higher power it helped her welcome the beauty of the entire situation As Dr Wayne Dyer says When you change the way you look at things the things you look at change Perfect health is balanced by a life threatening disease Once an equilibrium is maintained we can understand that opposites are joined together When suffering comes our way it is how we respond to it that determines who we become It was her choice to make a calamity or true gift out of her illness Rather than lamenting Eve chose to be grateful for each sunrise sunset person and circumstance in her life After being diagnosed with breast cancer Eve embarked on a new journey of wellness She hopes to establish a wellness center to help people balance their mind body and spirit One major event can turn one s life around for the better we hold true to the saying Things happen for a reason **My Journey**

Through Breast Cancer Suze Appleton, 2013-06-07 I wrote this book for other women newly diagnosed with breast cancer who wondered exactly what they could expect from the treatment of the condition It s an account of my experiences and emotions during the treatment *Finding Hope for Your Journey through Breast Cancer* Yvonne Ortega, 2010-09-01 Breast cancer affects everyone it touches whether firsthand or through the life of a loved one Counselor and teacher Yvonne Ortega discovered this when she was diagnosed with breast cancer and began her journey In *Finding Hope for Your Journey through Breast Cancer* she shares with readers her personal triumphs and setbacks with humor and refreshing candor always reminding us of God s desire to meet us exactly where we are In this repackaged book sixty devotions are divided into sections diagnosis surgery treatment and recovery each incorporating Scripture into daily life It also includes a new chapter on living with the possibility that cancer may return Ortega s attention to even the most basic hopes and fears that a cancer patient faces each day offers encouragement that can come only from one who has been there herself A Spiritual Journey

Through Breast Cancer Judy Asti, 2002-04 Judy Asti writes about how she renewed her faith while undergoing treatment for breast cancer *In His Grip ... a Walk Through Breast Cancer* Amy K. Hauser, 2012-09 Amy s story is a most inspiring one to read for anyone going through life s struggles one that will give encouragement whatever one may be dealing with First and foremost this is an account of a cancer journey a journal revealing an absolute faith that God is willing to walk the journey alongside of you all the way If you are reading this and you are someone setting out on or already in the middle of a similar journey this is an important read for you Amy s story will certainly not hide any of the rough but it will tell you about many

positive aspects as well and how faith is the only way to make the trip This book is not just for cancer sufferers but also for anyone experiencing life s many trials whatever they may be Amy s raw and emotive style tells it just like it is You will feel the emotion shed some tears and certainly draw many smiles There is little more powerful than hearing this story told literally while experiencing each and every aspect of the journey along with her The power is in hearing God s story as told through Amy and that s just what this is You will be encouraged that it s okay to have roller coaster emotions to feel anger to experience joy to feel spiritually low and equally high that it s okay to ask why me Amy is one amazing lady who turned what could have been a very negative experience focusing on feeling sorry for herself to one that focuses on making an impact on others For example Amy refused to wear a wig once she lost her hair so she would not miss opportunities to testify to others who would otherwise not have approached her Perhaps most compelling is how many people have told Amy that while they should have been supporting her in keeping a positive attitude she was in fact being the inspiration for them I know I was one of those people I pray for them every day and I know that they do the same for me It is this together with God that will keep us all positive and moving forward whatever the challenges of life that are thrown our way
