of a painfully divided country Here Joe Sexton elevates a made for social media tragedy into a kaleidoscopic account of race justice and urban politics The New York Times Book Review masterfully unpacking the whole twisted nearly unbelievable chronicle and explaining which claims were true and which distorted or simply false A book of intense moral weight and integrity The Washington Post The Lost Sons of Omaha involves some of the most pressing issues facing America today including our country s broken criminal justice system the failure to care for the men and women who fight our wars the dangerous spread of misinformation particularly on social media and the urgent need to band together in the collective pursuit of truth fairness and healing
