A Pocket Guide to Writing in History, 6th Ed Mary Lynn Rampolla, 2010 **Pocket Guide to Writing in History 6th Ed + an Interesting Narrative** John N. Gardner, 2011 **Artful History** Aaron Sachs, John Demos, 2020-02-18 A collection of memorable stirring and eloquent historical essays designed to help any historian write more artfully Is there any reason serious historical scholarship cannot receive literary expression Even the most committed empiricists and postmodernists might achieve better results by thinking of writing as a craft rather than a means of packaging research This book gathers some of the most compelling efforts to make history writing eloquent stirring and memorable demonstrating that even the most rigorous scholarship can take on a wide range of creative forms With selections from Jonathan Spence Simon Schama Saidiya Hartman Wendy Warren Jill Lepore Louis Masur Jane Kamensky and John Demos among others *A Pocket Guide to Writing in History* Mary Lynn Rampolla, 2009-06-01 A portable and affordable reference tool A Pocket Guide to Writing in History provides reading writing and research advice useful to students in all history courses Concise yet comprehensive advice on approaching typical history assignments developing critical reading skills writing effective history papers conducting research using and documenting sources and avoiding plagiarism enhanced with practical tips and examples throughout have made this slim reference a best seller Now in its sixth edition the book offers more coverage of working with sources than ever before **A Pocket Guide to Writing in History** Mary Lynn Rampolla, 2012-03-01 An essential writing reading and research tool for all history students A Pocket Guide to Writing in History offers a best selling combination of concise yet comprehensive advice in a portable and accessible format This quick reference guide provides a practical introduction to typical history assignments exercising critical reading skills evaluating and documenting sources writing effective history papers conducting research and avoiding plagiarism Building on its time tested approach the seventh edition offers expanded hands on guidance for writing and researching in the digital age and additional coverage on working with primary and secondary sources **Gaming the Past** Jeremiah McCall, 2022-11-11 Gaming the Past is a complete handbook to help pre service teachers current teachers and teacher educators use historical video games in their classes to develop critical thinking skills It focuses on practical information and specific examples for integrating critical thinking activities and assessments using video games into classes Chapters cover the core parts of planning designing and implementing lessons and units based on historical video games Topics include Talking to administrators parents and students about the educational value of teaching with historical video games Selecting games that are aligned to curricular goals by considering the genres of historical games Planning and implementing game based history lessons ranging from whole class exercises to individual gameplay to analysis in groups Employing instructional strategies to help students learn to play and engage in higher level analysis Identifying and avoiding common pitfalls when incorporating games into the history class Developing activities and assessments that facilitate interpreting and creating established and new media

Gaming the Past also includes sample unit and lesson plans worksheets and assessment questions and a list of historical games currently available both commercial and freely available Internet games The Broadview Pocket Guide to Writing, third edition Doug Babington, Don LePan, 2009-07-30 The Broadview Pocket Guide to Writing is a concise volume presenting essential material from the fourth edition of the full Broadview Guide to Writing Included are summaries of key grammatical points and a reference guide to basic grammar a glossary of usage tips on writing style a guide to bias free writing coverage of punctuation and writing mechanics helpful advice on Internet research and much more For the third edition the section on citation and documentation in four commonly used styles MLA APA Chicago and CSE has been extensively revised and updated **Successful Strategies for Teaching Undergraduate Research** Marta Deyrup, Beth Bloom, 2013-09-11 Editors Marta Deyrup and Beth Bloom have brought together well known educators from the fields of library science communication composition and education to show you how to develop successful strategies for teaching undergraduates how to conduct basic research and write papers Chapters cover each step of the research process beginning appropriately with separate pieces from a librarian and from an academic on how to construct good research assignments Following chapters cover establishing the research question assessing the research process information ethics and the protocols of research and using new modes and media to communicate research findings The book fully explores current theories on pedagogy and provides practical demonstrations of how library instruction can reinforce critical thinking and set the groundwork in place for life long learning Each chapter contains an extensive bibliography for further reading The Craft of Research, Fifth Edition Wayne C. Booth, Gregory G. Colomb, Joseph M. Williams, Joseph Bizup, William T. FitzGerald, 2024-06-24 A thoroughly updated edition of a beloved classic that has guided generations of researchers in conducting effective and meaningful research With more than a million copies sold since its first publication The Craft of Research has helped generations of researchers at every level from high school students and first year undergraduates to advanced graduate students to researchers in business and government Conceived by seasoned researchers and educators Wayne C Booth Gregory G Colomb and Joseph M Williams this fundamental work explains how to choose significant topics pose genuine and productive questions find and evaluate sources build sound and compelling arguments and convey those arguments effectively to others While preserving the book's proven approach to the research process as well as its general structure and accessible voice this new edition acknowledges the many ways research is conducted and communicated today Thoroughly revised by Joseph Bizup and William T FitzGerald it recognizes that research may lead to a product other than a paper or no product at all and includes a new chapter about effective presentations It features fresh examples from a variety of fields that will appeal to today's students and other readers It also accounts for new technologies used in research and offers basic guidelines for the appropriate use of generative AI And it ends with an expanded chapter on ethics that addresses researchers broader obligations to their research communities and audiences as well as systemic questions about ethical research practices This

new edition will be welcomed by a new and more diverse generation of researchers **Essaying the Past** Jim Cullen, 2013

The second edition of *Essaying the Past* features a variety of updates and enhancements to further its standing as an indispensable resource to all aspects of researching and writing historical essays. Includes expert advice on writing about history, conducting good research, and learning how to think analytically. Includes a new chapter addressing common situations that represent steps in the transition from a rough first draft to a final version. Covers important topics such as framing questions, developing a strong introduction and topic sentences, choosing good evidence, and the crucial role of revision. Includes an annotated case study that takes the reader through one student's process of writing an essay, illustrating how strategies in the text can be successfully implemented. New edition features updates to cultural references, a newly written preface, and reorganized table of contents.
