A Purrfect Match English Edition:

Familiar Meowgic Pepper McGraw, 2024-11-07 A pawsitively purrfect quartet featuring the matchmaking cats of the goddesses and the witches they re determined to mate match Pippa has no plans to ever mate in Hocus Purrcus and is horrified when a coven member admits she cast a spell to bring the coven s fated mates to them Pippa is determined to turn her mate away should he appear but things don t exactly go to plan when her mate turns out to be a very stubborn alpha wolf Natalie is the leader of the Zero Cum Laude Coven and she s got a lot on her plate considering every single one of its members struggle to control their powers and she s no exception Out of control weather and armies of the dead are the least of her problems when her own power starts to slip from her grasp So she definitely doesn t need to be worrying about pandering to some silly wolf who has it in his head that she s his mate in Abra CAT Abra Inundated with demonic proposals delivered by a constant stream of eligible demons and monstrous hell kittens Tempest is at her wit s end which is not a good look for a weather witch with questionable control So she doesn t have time for a non demonic utterly human chameleon who keeps insisting they re mates Then again maybe that s the solution to all her demonic problems a pretend mating The only challenge will be convincing the chameleon it s only temporary in Tridents Tails Jo cast the spell that brought Annika into her life and now the two are living out their own happily ever after The only thing that s missing is a familiar for Jo Too bad every cat that shows up is a terrible match for a garden witch mated to a vampiress It s up to the matchmaking cats of the goddesses to find Her Purrfect Familiar These matches are about to become pawsitively purrfect

A Beautiful Catship

Pepper McGraw, 2024-12-19 The Matchmaking Cats of the Goddesses are back in Zero Kansas Amaryllis is pathologically shy which makes her the complete opposite of Lassiter the King of Vampires The fates must have been sleeping when they made these two opposites a fated pair Faced with a romance that appears to be moving at glacial speeds and a familiar candidate who isn t even a cat the matchmaking cats of the goddesses are starting to question whether this match can ever be pawsitively purrfect

Catanic Rituals Pepper McGraw, 2024-09-26 Hell cats and demons and destiny collide in this pawsitively impurrfect match made in Hell Lucinda is as much of a hell raiser as her two brothers but when one is the King of Vampires and the other the Lord of the Nine Realms of Hell the other demons tend to forget that she s the dangerous devil in the family She s had her eye on a very specific demon who seems to think she s too good for him or something Well Lucinda is about to prove him wrong She s got all kinds of very bad plans up her sleeve and she can t wait to unleash the full power of a female devil in heat The matchmaking cats of the goddesses have made a pact no more matching demons from the Hell Realm Unfortunately the goddesses are a bit concerned about this particular match because Hell hath no fury like a rejected she devil It s up to the matchmaking cats of the goddesses to ensure this particular match doesn t go up in flames

Unbearably Cute Pepper McGraw, 2022-01-18 Mason s fallen in love with a kitten named Cleopatra Too bad his new brother in law isn t willing to share her Determined to adopt his own kittens Mason visits an animal shelter and is stunned

when the woman in charge insists that no bears need apply Rude Who does this woman think she is Especially since Mason is pretty sure she s a bear herself Even if she does keep denying it Either way those kittens are his and no woman is standing in his way no matter how sexy she is The only way these two will ever make it to their happily ever after is if a matchmaking cat and an entire shelter full of kittens get involved **Catnapped** Pepper McGraw,2022-07-07 A matchmaking cat may be their only hope for a happily ever after Maggie isn t a fan of people Or maybe it would be more accurate to say that people aren t a fan of Maggie Therefore when she inherits a house and enough money to retreat from the world she happily embraces the opportunity bringing only her cat along for company Jackson is the sheriff of his shifter town He deals with people all day long and for the most part enjoys his job Until the crazy human who just moved to town reports a catnapping He s not exactly leaping at the opportunity to track down a missing pet Then he discovers the crazy human is his mate Genghis Khat has a mission find his human companion a mate The only problem Her mate is the sheriff and she s not exactly a fan It s going to take a lot of work to make this match a pawsitively purrfect one Note This was previously published in the multi author anthology Shifters Do It Better *Tridents & Tails* Pepper McGraw,2023-08-31 It s a Pawsitively Implausible Yet Purrfect Match Not witchy enough for the witches nor demonic enough for Hell Tempest has found a new home in Zero Kansas as part of the Zero Cum Laude Coven Unfortunately though you can take the girl out of Hell you can t always get Hell to leave her alone Inundated with demonic proposals delivered by a constant stream of eligible demons and monstrous hell kittens Tempest is at her wit s end which is not a good look for a weather witch with questionable control She definitely doesn t have time for a certain non demonic utterly human chameleon who keeps insisting they re mates Then again maybe that s the solution to all her demonic problems a pretend mating The only challenge will be convincing Matthew that it s all only temporary The matchmaking cats of the goddesses are a little uncertain about where this match is going Hell kittens demons chameleons witches and pretend matings all with an interfering Lucifer in the mix things are going to hell in a cat basket
