Special Onymic Grammar in Typological Perspective Thomas Stolz, Julia Nintemann, 2023-12-04 For the first time proper names are made the topic of a cross linguistic account of morphosyntactic properties which formally distinguish place names personal names and common nouns It is shown that the behaviour of place names and personal names in morphology and syntax frequently disagrees with the rules established for other word classes independent of the language s genetic affiliation grammatical structure and geographic location Place names and personal names each boast a grammar of their own They are candidates for the status of a distinct word class Their special grammar comes frequently to the fore in the domain of spatial and possessive relations This fact is explained with reference to functional notions

Priori Incantatem Tracy Vyas, JK Rowling, 2013-12-05 Can James Potter Marauder and troublemaker extraordinaire ever convince Lily Evans Prefect and good girl that they were meant to be Lily Evans has spent most of her Hogwarts career hating James Potter But when fate and a little help from Dumbledore intervenes they find themselves thrust together and quickly fall in love But there are darker things at hand As Voldemort

grows stronger they must grow up fast and when the people they love are directly threatened the pair and their closest friends must be ready to face what's to come With love betrayal and a little mischief *Priori Incantatem* will leave you breathless long after you've turned the last page

The Future of the Nineteenth-Century Dream-Child Amy Billone, 2016-06-10 This book investigates the reappearance of the 19th century dream child from the Golden Age of Children's Literature both in the Harry Potter series and in other works that have reached unprecedented levels of popular success today Discussing Harry Potter as a reincarnation of Lewis Carroll's Alice and J M Barrie's Peter Pan Billone goes on to examine the recent resurrection of Alice in Tim Burton's Alice and of Peter Pan in Michael Jackson and in James Bond Visiting trends that have emerged since the Harry Potter series ended the book studies revisions of the dream child in texts and films that have inspired mass fandom in the twenty first century Stephenie Meyer's *Twilight* E L James's *50 Shades of Grey* and Suzanne Collins's *The Hunger Games* The volume argues that the 21st century desire to achieve dream states in relationship to eternal youth results from the way that dreams provide a means of realizing the fantastic yet alarming possibility of escaping from time This current identification with the dream child stems from the threat of political unrest and economic and environmental collapse as well as from the simultaneous technophilia and technophobia of a culture immersed in the breathless revolution of the digital age This book not only explores how the dream child from the past has returned to reflect misgivings about imagined dystopian futures but also reveals how the rebirth of the dream child opens up possibilities for new narratives where happy endings remain viable against all odds It will appeal to scholars in a wide variety of fields including Childhood Studies Children's YA Literature Cinema Studies Cultural Studies Cyberculture Gender Studies Queer Studies Gothic Studies New Media and Popular Culture

Queerbaiting and Fandom Joseph Brennan, 2019-12-01 In this first ever comprehensive examination of queerbaiting fan studies scholar Joseph Brennan and his contributors examine cases that shed light on the sometimes exploitative industry practice of teasing homoerotic possibilities that while hinted at never materialize in the program narratives Through a nuanced approach that accounts for both the history of queer representation and older fan traditions these essayists examine the phenomenon of queerbaiting across popular TV video games children's programs and more Contributors Evangeline Aguas Christoffer Bagger Bridget Blodgett Cassie Brummitt Leyre Carcas Jessica Carniel Jennifer Duggan Monique Franklin Divya Garg Danielle S Girard Mary Ingram Waters Hannah McCann Michael McDermott E J Nielsen Emma Nordin Holly Eva Katherine Randell Moon Emily E Roach Anastasia Salter Elisabeth Schneider Kieran Sellars Isabela Silva Guillaume Sirois Clare Southerton

alone time With more than just hooks on the line can these two see what's been right in front of them the whole time The Perfect Catch is a short story about falling for your best friend hook line and sinker Black feathers Victory Storm, Melissa Castello, 2024-12-02 Three seconds That's the time I spend every day admiring the boy I'm in love with unnoticed Zero seconds The time Patrick has devoted to me every day for the past few years since he returned to Columbus to attend high school I would so much like things to change but every time I get close to him I am always left burnt and humiliated I don't understand why he resents me so much that he never misses an opportunity to make me feel mistaken Still I can't stop thinking about him until Sawyer the most antisocial and grouchy boy in school comes along I have never had anything to do with him even though his eyes are often on me There has always been a safe distance between us but as soon as this was violated here comes Patrick I don't know how it happened but I feel like I'm caught between two fires and now I don't know which way to turn A secret that could put an end to that feud or start a real war between Good and Evil Translator LRizzi Erneste PUBLISHER TEKTIME Transmedia Harry Potter Christopher E. Bell, 2019-09-03 Transmediation the telling of a single story across multiple media is a relatively new phenomenon While there have been adaptations books to films for example for more than a century modern technology and media consumption have expanded the scope of trans mediating practices Nowhere are these more evident than within the Harry Potter universe where a coherent world and narrative are iterated across books films video games fan fiction art music and more Curated by a leading Harry Potter scholar this collection of new essays explores the range of Potter texts across a variety of media
