A Labattoir Travail Et Relations Professionnelles Face Au Risque Sanitaire:

À l'abattoir Séverin Muller, 2008-05-20 Les abattoirs sont des lieux de mise mort qui s'opposent certaines valeurs morales de la société. Mais ils sont aussi depuis la crise de la vache folle un exemple d'organisation soumise la gestion contemporaine des risques sanitaires. Les tensions entre santé publique et impératifs de profits obligent les acteurs professionnels redéfinir leurs pratiques et leurs relations. À partir d'une expérience ouvrière en abattoir l'auteur expose les réalités d'un travail et d'une organisation sociale peu connues du grand public. Il contribue au débat sur les transformations récentes des politiques publiques du risque dans notre société.

À l'abattoir Séverin Muller, 2008 Lieux de mise mort industrielle destinés produire la viande que nous consommons les abattoirs sont aussi depuis la crise de la vache folle survenue en mars 1996 un exemple d'organisation soumise la gestion contemporaine des risques sanitaires. Des pratiques jusqu'alors admises sont prohibées des dispositifs d'autocontrôle et de traçabilité sont adoptés pour déterminer la responsabilité juridique des acteurs de la filière. Mais il apparaît que ces mesures font fi des tensions qui existent entre la nécessité de garantir la santé publique et les impératifs de profit. Dans les abattoirs ces contraintes obligent les ouvriers, les dirigeants et les vétérinaires redéfinir leurs pratiques et la façon de travailler ensemble. Après une enquête menée dans un abattoir de 1995-2000 en tant qu'ouvrier puis parmi les équipes dirigeantes et en s'appuyant sur une connaissance historique du milieu l'auteur a assisté aux transformations des normes sanitaires consécutives la crise. Cette démarche a permis de révéler les formes d'accommodement pour mener bien le travail en dépit de l'inadéquation de la normalisation en cours avec les situations et les conduites qu'elle prétend réguler. Cet ouvrage expose les réalités d'un travail et d'une organisation sociale peu connues du grand public. Il contribue au débat sur les transformations récentes des politiques publiques du risque dans notre société.

À l'abattoir Séverin Muller, 2008 **La relation d'enquête comme relation sociale** Christian Papinot, 2014-05-29 T00:00:00-04:00 Cet ouvrage a pour objet d'analyser les conditions de production des données d'enquête en sciences sociales partir de la question centrale de la relation d'enquête comme relation sociale. Quel statut ont les données d'enquête? Comment sont-elles empiriquement produites? Le premier chapitre est une mise en perspective historique de l'émergence de la question afin de comprendre comment se sont imposés le modèle positiviste d'un observateur toujours invisible et les stratégies de neutralisation des situations d'enquête qui en découlaient. Le deuxième montre que cette dénégation de la relation d'enquête comme relation sociale constitue encore un idéal persistant de pratiques de recherche contemporaines. Le troisième tablit un programme de rupture avec cet idéal positiviste en faisant de l'analyse réflexive de la relation d'enquête comme relation sociale une condition d'intelligibilité des données produites. Le quatrième présente enfin différentes manières de procéder l'analyse des relations sociales d'enquête comme levier de compréhension de l'objet.

Subsistenzpolitik im Übergang Marcel Streng, 2017-11-13 Unter dem Begriff der Subsistenzfrage sind bis ins 19. Jahrhundert hinein in Frankreich gesamtgesellschaftliche Kontroversen über die Lebensmittelversorgung der Bevölkerung zusammengefasst worden. Eines der Gravitationszentren dieser historischen

Debatten war die Frage ob und inwiefern Staat und staatliche Behörden die Aufgabe hatten das Überleben der Bevölkerung durch die Versorgung mit Grundnahrungsmitteln wie Korn oder Brot und Fleisch zu sichern Auch im postrevolutionären Frankreich mit Beginn der Industrialisierung der Steigerung der landwirtschaftlichen Erträge und der verbesserten Transportbedingungen blieb die Frage virulent besonders in politischen und sozialen Krisenlagen Allerdings wurde die Frage der Lebensmittelversorgung ab dem letzten Drittel des 19 Jahrhunderts zunehmend im Rahmen der sozialen Frage verhandelt als Problem der Nahrungsmittelhygiene und der Versorgung besonders der Arbeiterbevölkerung mit den richtigen Lebensmitteln Die Studie untersucht den historischen Diskurs über die Subsistenzfrage und über Subsistenz als Staatsaufgabe in der zweiten Hälfte des 19 Jahrhunderts und dies vor allem auf der Ebene der Gebietsverwaltung ihrer Beamten und Praktiken gegen über dem Lebensmittelmarkt und seinen Akteuren An ausgewählten Fallstudien aus bretonischen Départements zeigt diese Genealogie des Behördenhandelns wie sich im Spannungsfeld zwischen gesetzlichen Vorgaben und Marktbeobachtung eine moderne Infrastruktur der lokalen Brot und Fleischmarktverwaltung herausbildete *Encaisser !* Marlène Benquet, 2015-09-08 Marlène Benquet a men pendant trois ans une enquête sur une des principales entreprises françaises de grande distribution Elle y est d'abord devenue caissière Puis elle a fait un stage au siège social du groupe et un autre Force ouverte le principal syndicat de l'entreprise Une enquête en immersion exceptionnelle en même temps qu'une réflexion sur les réalités du monde du travail et du capitalisme financier Marlène Benquet a men pendant trois ans une enquête sur une des principales entreprises françaises de grande distribution d'abord caissière elle a ensuite fait un stage au siège du groupe et un autre au sein de l'organisation syndicale majoritaire Elle révèle dans ce livre stupéfiant les dessous de la grande distribution L'identité des fondateurs des magasins a été bouleversée par l'arrivée de nouveaux actionnaires financiers le management par la promotion a largement disparu et l'ensemble des salariés accepte mal ce qu'ils vivent comme une incurie grandissante Dès lors pourquoi acceptent-ils d'encaisser ces organisations fragilisantes Je voulais savoir ce que cela faisait d'être caissière pour comprendre pourquoi elles ne se révoltaient pas ou en tout cas moins que dans d'autres secteurs professionnels Au sein du siège le cloisonnement est devenu impossible de se déplacer dans d'autres services sans une bonne raison Quant à l'organisation syndicale majoritaire comment a-t-elle réussi à implanter Comment contribue-t-elle la paix sociale Ni l'adhésion ni la pression ne suffisent à expliquer pourquoi les salariés s'investissent dans leur travail Plus proches du jeu de go que des échecs les stratégies patronales neutralisent les salariés mais ne les soumettent pas **Travailler dans le nucléaire** Pierre Fournier, 2012-04-18 La catastrophe de Fukushima au-delà du choc émotionnel qu'elle a provoqué a ravivé dans le monde entier la question du maintien ou non du nucléaire Fleuron de l'industrie mastodonte économique en France le secteur nucléaire est sacralisé et d'abord protégé D'clarés secrets curieux et fiables par industriels et gouvernement l'unisson des centrales nucléaires n'en demeurent pas moins dans la représentation collective une menace permanente un lieu clos mystérieux et inquiétant Le sociologue Pierre Fournier a infiltré un site nucléaire pour nous en donner une vision de l'intérieur Tour

tour ouvrier de sous traitance stagiaire et intermittent sur le site de Marcoule près de Nemmes il partage le quotidien des salariés dans un milieu haut risque Au cœur d'une quipe de travailleurs spécialisés il observe les relations entre eux le rapport problématique des générations et les conflits qui surviennent Il analyse la perception du risque véritable de Damoclès qui pèse sur les salariés et essaie de comprendre comment les incidents sont gérés Il découvre ces salariés qu'on nomme kamikases parce qu'ils acceptent d'être soumis de fortes radiations Il montre aussi la face cachée d'une industrie nucléaire qui recourt des travailleurs précaires et non formés pour avoir une main d'œuvre flexible porte de main Loin des discours officiels cette enquête sur le terrain démontre que la connaissance est incertaine la certitude provisoire et la maîtrise imparfaite Ni pro ni anti nucléaire au-delà des affrontements idéologiques cette plongée au cœur du nucléaire français est un compte rendu de terrain qui contribuera au débat en apportant un matériau original et inédit

Le Marché halal ou l'invention d'une tradition Florence

Bergeaud-blackler, 2017-01-12T00:00:00+01:00 Du simple rituel d'abattage au tourisme halal en passant par les aliments les médicaments et la mode le marché halal s'étend aujourd'hui sur tous les continents Qu'est-ce qui a rendu possible un tel largissement du système halal Du cœur des abattoirs jusqu'aux comités officiels de ce qui est charia compatible et ce qui ne l'est pas ce livre brillant et passionnant raconte la rencontre improbable entre le fondamentalisme islamique et le néolibéralisme Il montre d'une part que le marché halal loin de reposer sur une tradition est une invention récente et d'autre part que celle-ci n'aurait pas été possible si les intérêts marchands ne passaient pas dans ce domaine avant la neutralité des tats et la liberté religieuse Il clame d'un jour nouveau les controverses qui divisent la société française l'abattage rituel et le bien-être animal les repas halal dans les institutions publiques ou les entreprises le voile et le burkini etc Un ouvrage indispensable pour comprendre les enjeux réels des polémiques récurrentes Florence Bergeaud Blackler anthropologue chargée de

recherche au CNRS l'Institut de recherches et d'études sur le monde arabe et musulman Aix Marseille Université est une spécialiste reconnue du marché halal en Europe dont elle a suivi l'évolution depuis plus de vingt ans

Sociologie du travail salarié Sylvie Monchatre, 2021-09-22

Que dit la sociologie du travail du travail salarié Cette question se pose car le salariat tend à être étudié en dehors de la sociologie du travail classique sous l'angle de la protection sociale ou de l'activité Or la sociologie du travail est riche d'une tradition qui gagne à être redécouverte rebours des thèses qui annoncent le déclin d'un salariat rattrapé par la montée de l'entrepreneuriat elle invite à saisir au-delà de ses formes juridiques et institutionnelles et changer de regard son sujet C'est ce que propose cet ouvrage qui rend compte des débats suscités par le travail salarié au sein de la discipline Il fait le point sur la pluralité des formes de mobilisation du travail et sur les mutations de l'organisation de la production des biens et des services De plus parce que le travail salarié n'est pas qu'une affaire d'homme blanc chef de famille l'ouvrage donne à voir une dynamique salariale en plein essor qui percute l'ordre social national et sexué Cette sociologie du travail salarié permet ainsi de saisir combien il contribue à la mise en mouvement des sociétés
