year since October Toby Daye averted a war gave up a county and suffered personal losses that have left her wishing for a good day's sleep. She's tried to focus on her responsibilities but she can't help feeling like her world is crumbling around her and her increasingly reckless behaviour is beginning to worry even her staunchest supporters. To make matters worse Toby's just been asked to find another missing child only this time it's the changeling daughter of her fellow knight Etienne Chelsea is the kind of changeling the old stories warn about the ones with all the strength and none of the control. She's opening doors that were never meant to be opened releasing dangers that were sealed away centuries before and there's a good chance she could destroy Faerie if she isn't stopped. Now Toby must find Chelsea before time runs out racing against an unknown deadline and through unknown worlds as she and her allies try to avert disaster. Toby thought the last year was bad. She has no idea.

The Winter Long (Toby Daye Book 8) Seanan McGuire, 2015-05-05 Toby thought she understood her own past she thought she knew the score. She was wrong. It's time to learn the truth.

Once Broken Faith (Toby Daye Book 10) Seanan McGuire, 2016-09-01 Top of my urban paranormal series list Felicia Day author of *You're Never Weird on the Internet*. Politics have never been Toby Daye's strong suit. When she traveled to the Kingdom of Silences to prevent them from going to war with her home the Kingdom of the Mists she wasn't expecting to return with a cure for elf shot and a whole new set of political headaches. Now the events she unwittingly set in motion could change the balance of modern Faerie forever and she has been ordered to appear before a historic convocation of monarchs hosted by Queen Windermere in the Mists and overseen by the High King and Queen themselves. Naturally things have barely gotten underway when the first dead body shows up. As the only changeling in attendance Toby is already the target of suspicion and hostility. Now she needs to find a killer before they can strike again and with the doors locked to keep the guilty from escaping no one is safe. As danger draws ever closer to her allies and the people she loves best Toby will have to race against time to prevent the total political destabilization of the West Coast and to get the convocation back on track and if she fails the cure for elf shot may be buried forever along with the victims she was too slow to save.

Chimes at Midnight (Toby Daye Book 7) Seanan McGuire, 2015-05-05 Things are starting to look up for October Toby Daye. She's training her squire doing her job and has finally allowed herself to grow closer to the local King of Cats. It seems like her life may finally be settling down at least until dead changelings start appearing in the alleys of San Francisco killed by an overdose of goblin fruit. Toby's efforts to take the problem to the Queen of the Mists are met with harsh reprisals leaving her under sentence of exile from her home and everyone she loves. Now Toby must find a way to reverse the Queen's decree get the goblin fruit off the streets and oh yes save her own life since more than a few of her problems have once again followed her home. And then there's the question of the Queen herself who seems increasingly unlikely to have a valid claim to the throne. To find the answers October and her friends will have to travel from the legendary Library of Stars into the hidden depths of the Kingdom of the Mists and they'll have to do it fast because time is running out. In faerie some fates are worse than death. October Daye is about to find out.
