

A Long Hard Ride

Richard R. Simmons

A Long Hard Ride English Edition

Richard R. Simmons

A Long Hard Ride English Edition:

A Long Hard Ride Richard R. Simmons, 2005-03-15 This is an inspirational story that shows how the author overcame poverty the lack of education low self esteem and alcoholism These stories come from the life experiences of a man fighting the demons within as he rode the racetracks of America in search of his soul The book follows his life as he gives up his career as a jockey and joins the U S Air Force eventually taking up a third career in management at the USPS Hope and inspirations come from many unexpected places as the miracle of recovery and rediscovery of love for himself and life change him in ways he never thought possible He knows that he was fortunate to survive **A Long Hard Ride** **The Long Hard**

Ride Thomas Westin, 2023-08-25 This book is about the journey of a man from meager beginnings being abused and misunderstood by schoolmates and cousins starting an adventure with very little surviving on the kindness of others and refusing to accept something without paying for it in some way They expected a long haired bearded boy in an army jacket to be a bum but he would be a surprise to them by his work ethic Knowing very little about horses or the mountains he purchased a horse which began a journey through desolate lands such as hot deserts and cold freezing mountains He knew little about mountain horse packing Many close calls on his journey transformed this inexperienced boy into a man Mentored by many people along his journey he discovered that being a man isn't all about being tough braving the unknown crossing rivers and climbing rugged mountains He discovered it was about gentleness kindness and understanding most of all faith and love The combination of all the mentoring would help him become successful in completing his journey to find himself and faith *Descent of Kings* Maria Albert, 2016-12-30 In a fantasy world filled with Men Elves and Dwarves these disparate kingdoms must unite to overcome a greater enemy who would see the world drown in darkness Princes guards and average citizens all have a part to play when it comes to saving the world and maybe finding a companion to ease the heart **The**

Story Between Them Molly O'Keefe, 2009-02-01 The scoop of Jennifer Stern's career has just landed on her doorstep Literally Ian Greer the playboy son of a former president is everything the headlines claim But Jennifer soon suspects he's pulling a fast one on the tabloids and there's a different man behind the good times He's a puzzle she longs to unravel especially when he hints about a newsworthy tale that could scandalize the nation Too bad she's turned her back on journalism And with the attraction sizzling between her and Ian her objectivity is bound to be compromised Still can she refuse a once in a lifetime piece And if she breaks the story can she keep the man *The Best of Times* Wyn

Wachhorst, 2016-01-06 Old time radio the folk revival the golden age of science fiction steam railroads baseball the Western and other genres color our images of the 1950s But contrary to the countercultural myth that America during this period was a sterile soulless society culturally and intellectually empty it was an introspective era of innovation and creativity the seedtime of the sixties the harbinger of which was the urban folk revival *The Best of Times* presents a collection of essays each followed by a related memoir focusing on postwar popular culture exploring topics that mark the era but are also

nostalgic in themselves the comforting continuity of long running radio shows train whistles that brought the sweet sorrow of distance to small town nights lazy summers of baseball endless stretches of unknown lands to the West that once compelled the imagination the heroes and vagabonds of folksong who roamed a simpler world and dreams of alien civilizations on neighboring planets deepened by the dawning reality of spaceflight These pieces balance personal cultural and mythic nostalgia recalling author Wyn Wachhorst's youth the postwar era and its dreams of a fabled West or Norman Rockwell's small town America Blending history memoir imagery and analysis this collection of essays offers poetic reflections on the nature of nostalgia and postwar America

Twilight on the Range William Timmons, 2014-05-23 Billie Timmons was fourteen when he met Charles Goodnight over a wagonload of manure that had been jammed on a gatepost and he went to work on the Goodnight Cross J Ranch shortly thereafter The spirit of helpfulness that led Mr Goodnight to strip off his coat and lift the wagon free for a lad in need sets the tone of this book in which the author unwinds a spool of recollections of range riding in Texas and North Dakota over an eighteen year period When Billie Timmons went to work for Mr Goodnight in 1892 Texas was undergoing a rapid transition from open range to fences But around Texas campfires he heard tales about the northern range told by cowboys who had ridden there and who had seen the northern lights the tall free grass swollen streams and stampeding cattle A longing to see that exciting country took hold of young Timmons His chance came when four buffaloes from the Goodnight ranch needed a nursemaid for their freight car trip to Yellowstone Park Once in the northern country Timmons stayed casting his lot with the cowmen of North Dakota He became the protégé of an extraordinary man William Ray he was foreman friend and confidant of banker rancher Wilse Richards a member of the Cowboy Hall of Fame But even during his days in North Dakota he never lost touch with Charles Goodnight a lifelong friend and his portrayal of Goodnight provides much insight into the character of the man whose name belongs to the West In this book you experience the terror of being lost in the dead white expanse of a North Dakota snowstorm the gaiety of cowboy dances for which there were never enough women available the excitement of a near riot in a Hebron North Dakota saloon where cowboys from the 75 Ranch drank up or poured out all the liquor then smashed all the glasses and bottles one day before the state became bone dry and the loneliness of work on the range where a flickering lantern on the side of a chuck wagon on a stormy night meant home for many a cowboy Running like a bright thread through the narrative is Billie Timmons's love of horses from whom he learned the wisdom that some horses and some men are to be handled with great care and others are not to be handled at all His chapter on Buck his best loved horse is memorable In North Dakota as in Texas fences brought the end of the big herds and the end of cowboying for a man who enjoyed it to the hilt

Cowboy Life George Philip, 2013-04 Rattlesnakes and ornery horses the dreaded Texas Itch midnight rambles in graveyards trips to Mexico and hard riding on the last open range George Philip recounts all these adventures and more with wit and humour George Phillip arrived in South Dakota from Scotland in 1899 For the next four years he rode as a cowboy for his uncle's L 7 cattle outfit during the

heyday of the last open range But the cowboy era was a brief one and in 1903 Philip turned in his string of horses and hung up his saddle to enter law school in Michigan In these candid letters Philip provides fascinating insights into the development of the West and of South Dakota His writing details the cowboy s day to day work from branding and roping to navigating across the plains by stars and buttes as the great open ranges slowly closed up

Horsemanship and Horsemastership

Cavalry School (U.S.),1940

Blake's Burden Harold Bindloss,2022-09-16 In *Blake s Burden* Harold Bindloss intricately weaves a narrative that explores the struggles of a young man s quest for identity and belonging amidst the backdrop of the Canadian wilderness Through vivid lyrical prose Bindloss captures the harsh beauty of the landscape and its profound impact on the characters psyches employing a style that blends naturalism with elements of psychological exploration The novel is set against the tides of early 20th century societal changes delving into themes of dislocation ambition and the haunting weight of familial expectations painting a nuanced portrait of the human condition Harold Bindloss a British born Canadian author drew extensively on his experiences with the rugged Canadian terrain and the intricacies of settler life Raised in a cultural milieu rich in imperial sentiment and individualism Bindloss s background profoundly influenced his writing His firsthand experiences as a settler imbue *Blake s Burden* with authenticity reflecting the emotional and existential challenges faced by those striving to carve their lives in an unforgiving environment Bindloss s own struggles with belonging and purpose resonate throughout the narrative offering profound insights into the human spirit This compelling novel is recommended for readers who appreciate the intersection of nature and personal growth as well as those interested in the Canadian literary landscape *Blake s Burden* not only offers a window into the psyche of its protagonist but also prompts reflections on broader themes of resilience and self discovery It is an essential addition for anyone seeking to understand the complexities of individualism within the confines of societal and environmental challenges
