A Pocket Of Nurses Anecdotes English Edition

John William Marsh, Waite H. Stirling

A Pocket Of Nurses Anecdotes English Edition:

The Story of Nursing in British Mental Hospitals Niall McCrae, Peter Nolan, 2016-02-22 From their beginnings as the asylum attendants of the 19th century mental health nurses have come a long way This comprehensive volume is the first book in over twenty years to explore the history of mental health nursing and during this period the landscape has transformed as the large institutions have been replaced by services in the community McCrae and Nolan examine how the role of mental health nursing has evolved in a social and professional context brought to life by an abundance of anecdotal accounts Moving from the early nineteenth to the end of the twentieth century the book's nine chronologically ordered chapters follow the development from untrained attendants in the pauper lunatic asylums to the professionally qualified nurses of the twentieth century and finally consider the rundown and closure of the mental hospitals from nurses perspectives Throughout the argument is made that whilst the training organisation and environment of mental health nursing has changed the aim has remained essentially the same to develop a therapeutic relationship with people in distress McCrae and Nolan look forward as well as back and highlight significant messages for the future of mental health care For mental health nursing to be meaningfully directed we must first understand the place from which this field has developed This scholarly but accessible book is aimed at anyone with an interest in mental health or social history and will also act as a useful resource for policy makers managers and mental health workers

Life Happens: my journey through translation and other stories Alison Hughes, 2023-03-16 Dear Mr Snozzi Do you remember me So began the letter that was going to take my life in a whole new direction One month later I arrived in France's Champagne region with one suitcase dreadful spoken French and nowhere to live Fast forward three years and I'm heading for London with one suitcase fluent French somewhere to live and a case or two of champagne In 1990 I was on the move again This time back to Scotland with several suitcases and a husband Oh and in the interim I had become an in house translator After my heady carefree 20s in the wine and spirits business life was about to become much more serious with a mortgage children health issues bereavement the ups and downs of family life and from 1997 my own freelance translation business Life Happens and freelancers are all too familiar with the challenge of running a business while it does This is my story of coping admirably failing miserably and generally keeping my head above water most of the time
