

Forgiveness Prayer Before Communion

Dear Lord in heaven,
Please prepare my body and soul for this feast
at your table. I ask that you forgive and
cleanse me of any sins I have committed,
whether consciously or otherwise.

I know I have sinned against you. I have also
thought and said things to my neighbors I
shouldn't have. I have lied and cheated to get
ahead. I know I am not worthy.

But Lord, please cleanse me in the blood of the
lamb. Redeem my soul from the valley of sin.
Let me be humble before you before I dine with
you. Let me remember what you have done for
me. Keep the holy fire burning within me.
Let me not approach your table with hate in my
heart. Let me lay all my iniquities at the door
before I come and dine with you. Forgive my
shortcomings, Lord, and make me worthy again

Amen

A Prayer for a Prince Hsh Prince Louis Richard li De La Pau, 2013-07 Having to cope with the taint of Fascism in his family s past and living in exile are the least of the problems enveloping Prince Vittorio di Borbone e Conti The orphaned Italian prince seemingly waltzes through the claustrophobic world of an elite English boarding school where he enthusiastically match makes for his friends and revels in his powerful position as Social Director But when his passion for a fellow pupil brings him into confrontation with his relatives in France he has to choose between his duty to his dynasty and his loyalty to the boy he loves the magnetic German prince Wolfgang The Prince s carefully crafted mask of imperious confidence disintegrates in the face of rape penury and humiliation at the hands of his family while he desperately tries to create a career for himself as a musician With the revelation of his family s past support of Mussoini and the intrusion of the charismatic head prefect into his life the ensuing scandal pushes Vittorio into the arms of the older boy But he is unaware that his fascination for the prefect will cost him everything he has ever cared about Emotionally shattered and completely alone he must now make another choice in order to survive in the real world where royal status is more of a handicap than an advantage
