The London Trilogy Edward St. Boniface, 2013-12-01 This is a trilogy about three young men finding the fulfillment of their youthful ambitions from the late 1980s onwards in rock music and journalism up to the present day and middle age As middle age comes on each must accept a wider responsibility for their past sins Having either emigrated to or been born in London all of them become caught up in tantalising opportunities in the capital to fulfill their ambitions of success and fame Each of them also finds that success comes with an immense price for them personally and private failures that unmercifully torment them Their hopeful idealism and dreams become tainted by ruthlessness opportunism and betrayal of their principles As each character grows older he realises he wants to redeem himself and somehow resolve the worst things he has perpetrated in his life but true redemption requires genuine sacrifice one even more intense and difficult than

their hard won successes of the past It may be more than any of them can endure All of this happens against the background of London s fantastic fabulous variety and wealth and exoticism opportunity and glamour corruption and poverty and loneliness and harshness Its pitfalls rewards and insatiable demands as a fast moving cultural and media capital are a significant part of the novel s tone with an intensified sense of time and place Edward St Boniface takes inspiration from a wide range of authors including Ray Bradbury Mark Z Danielewski and David Foster Wallace The London Trilogy is a work of adult contemporary fiction that will appeal to fans of highbrow and literary novels bildungsromans and satire The Reckoning Ninie Hammon,2017-02-23 Sorceress of psychological suspense Ninie Hammon brings you the third book in The Knowing Saga a sprawling tale of spiritual warfare that spans a quarter of a century If you crave sleep with the lights on suspense coupled with characters so true they ll feel like family then The Reckoning is right up your alley Ordinary people A demon from hell The final showdown In the summer of 1985 Daniel Burke Becca Hawkins and Jack Carpenter confronted a demon prince an efreet and somehow drove it back to hell They were twelve years old Twenty six years later the efreet returns and sends superhuman assassins to kill the now adult Three Muskateers before they can challenge him again Reconnecting for the first time in a quarter of a century the childhood friends piece together fragmentary memories of that long ago summer as they fight desperately to stay alive and to stop the voracious quest for power of the man possessed by the efreet Chapman Whitworth Now comes the final confrontation The only thing that stands between Whitworth and the presidency of the United States is a rag tag group of ordinary people Daniel Becca Jack and their friends This time they have to go after the demon not the man and it doesn t matter that none of them remembers how they defeated it the first time They have to find the monster hidden in a labyrinth of dark caves protected by legions of poisonous spiders and snakes And they have to stand together against it If any one of them breaks they all will die It has come down to this one last chance It s time for the reckoning The Knowing began the tale The Deceiving expanded it Now The Reckoning delivers a heart pounding continuation with a riveting account of the battle against an evil as old as the skeleton of the universe Simply phenomenal It s hard to nail the conclusion to a trilogy in a satisfying manner but Ninie really knocked it out of the park Steve Bochte What a ripping finale to the trilogy The author s wild imagination coupled with brilliant word skills and dazzling descriptive abilities present this work as a reading experience not just a book Suspense action horror intrigue it s all there along with beautifully balanced and subtle humour when the occasion calls for it M Dusrston There are times during the reading of the book that I was so caught up in the story that I reacted physically with racing heart and sweating palms At other times I consciously breathed a sigh of relief and appreciated the calm It s possible to read any of the three books in this set alone and follow the story line But don t cheat yourself read The Knowing and The Deceiving before you jump off into The Reckoning You won t regret it Phyllis W LOVED IT Again Ninie has not let me down Before I read book 3 I re read the first two again I was expecting to rush thru those because of knowing what happened NOT I enjoyed reading them again and picked up some

points I didn't see the first time. If you have not tried this author you really must. Most of her books I would give 10 stars if I could. You rock, Ninie D Price. This book is fairly fast paced which makes it hard to put down. The fact that the action keeps you turning pages sometimes does cause me to get less sleep. Then when I finally read the last page I am sorry that I read so quickly and that it is already over. Kaye. If you like fast paced action, gut tying thrills and themes that will challenge everything you believe about yourself, life and reality about good and evil and the whole nature of the universe. **The Reckoning** is the book for you. **Passion Never Dies** Anna Durand, 2016-11-04. London is in ruins, a once highly advanced city now a gated wasteland. Within its walls a bloody war rages between two clans. Hope is sparse but the people believe the gods have risen from the dead. Odin himself has come to play a part in the lives of two twins, a brother and sister from the Volson clan. Siggy and Signy must come to grips with their destiny as London's future teeters on the edge of a knife. [Early English literature](#), tr. by H.M. Kennedy [and others]. Robinson. Bernhard Aegidius Konrad ten Brink, 1901. *God Is in Your Mess* T. Gray, 2023-06-14. God is in your mess. Yes I said it. He is in your crisis, your downfall, whatever that is. The bad marriage, the unplanned pregnancy, being evicted from your home, the date rape or molestation, He is there. The car being repossessed, the loss of a job, the abusive relationship or drug addiction, God is right there with you in the muck. I know this is hard to believe but He is. There isn't any storm or crisis. He can't help you through. God is in Your Mess. Your Crisis. Your Downfall is a transparent chapter by chapter testimony of God coming to my rescue. I wasn't a perfect person, I was broken and flawed but God still showed up in my storms. It is my desire through these pages to help you see how God moves and that He shows no favoritism. The same as He has done for me, He can and will do for you if only you believe. [Skate or Die](#) Steven Violetta, 2022-05-31. *Skate or Die* is *Slap Shot on Steroids*. I know it will be enjoyed by many. Dave Hanson, ten years as a pro hockey player and star of the movie *Slap Shot*. Hockey fans will love the assortment of players on this team. Author Steve Violetta has been around hockey his entire life so he's seen these types of players for years, adding to the realism. *Fighting The Code* so many hockey terms and situations are weaved into this story. I love the way the sport is written about.

Very detailed and no situation was unbelievable Russ Cohen of NHL Network Radio A minor league hockey team with a checkered past of success has reached a crossroads with their landlord the Charlestowne City Government The city owns and operates the old failing but still somewhat charming hockey arena City Hall and their partners have determined they can make much more money with concerts and other flat shows than they can with a losing minor league hockey team taking up many of the prime Friday and Saturday nights There was simply too much cash to be had City Hall and their political and mafia enablers got greedy They wanted all the money This story chronicles the thirty eighth and last voyage of the Icemen It s told by the team s veteran player assistant coach He delves into the personalities quirks and general debauchery of players coaches management ownership as well as their eccentric fans Heading into that final season the Icemen are not expected to accomplish much But through player roster shuffles by the general manager bonding with some longtime fans and digging deep into a reservoir of personal and professional pride the Icemen cobble together an unlikely unexpected and unapologetic final season This is the unvarnished journal of the Icemen s last voyage There is hockey action Along with all the cussing fussing fighting biting depravity and epic trash talk of a minor league hockey team that has nothing to lose You have a front row seat in the Icemen locker room But please leave your political correctness at the door before entering
