Marblestone Mansion, Book 4 Marti Talbott, 2012-10-08 This time the duchess had gotten herself into more trouble than ever before Without friends or a husband to rely on she found circumstances to be completely out of her control Yet there was something she could do an ace in the hole she d nearly forgotten about It was sure to work Moreover it might be a way to gain the fortune she needed to live out the rest of her life in luxury This time nothing could go wrong Loved by young adults and baby boomers alike this 30 book historical family saga follows a Scottish highlander clan from the Viking era through the middle ages into the 20th century From the first love story to the last we hope you too will enjoy these tales of courageous men strong women fierce clan wars fun characters and perilous struggles to survive *Beyond My Control* Lee Hamelin, 2024-04-18 In 1967 when Lee Hamelin was just four years old he and several of his siblings were forcibly removed from their Aboriginal family s home in northern Alberta Canada never to return again With the authorities labelling his mother as morally depraved and of no benefit to society Lee and his siblings became wards of the government Little did they realize it at the time but they had just become part of the Sixties Scoop the mass removal of Aboriginal children from their families into Canada s child welfare system from the mid 1950s to the 1980s While the Sixties Scoop exposed thousands of Aboriginal children to the horrors of the residential school system Lee and his brother avoided that fate Instead they were placed with loving foster parents who raised the two boys as if they were their own Lee is immensely thankful for the situation where he and his brother ended up However growing up in a white home as a visible minority in his community completely cut off from his Aboriginal roots still created many complications that he has had to cope with throughout his life including racism prejudice and questions about his identity In this gripping and honest memoir Lee seeks to contextualize his experience within the trauma that so many other such forced abductions created and the broader colonial context within which they took place Despite the darkness of these years through it all comes a positive message of love hope and reconciliation for all **Home Coming** Charles Lansford, Irene Nickerson, 2017-04-04 Homecoming is that surreal feeling that a soldier has when he has returned home For our heroes each is facing new challenges hopes and fears Ti is worried about what the shape shifter major told him He wonders what other secrets might be hiding in the shadows and what dangers they might hold for his family Beary and Crew have returned home to build a new warship to face the growing threat to the Bearilian Federation It is one that is pointed directly at his family like a dagger to his throat Angelina and Octavious have discovered that old enemies have joined in the vendetta against their family Old secrets may surface Old threats may appear All the pieces are now in place It has been a month since everyone has returned Hybrid Englishes and the Challenges of and for Translation Karen Bennett, Rita Queiroz de Barros, 2019-03-13 This volume problematizes the concept and practice of translation in an interconnected world in which English despite its hegemonic status can no longer be considered a coherent unified entity but rather a mobile resource subject to various kinds of hybridization Drawing upon

recent work in the domains of translation studies literary studies and socio linguistics it explores the centrality of translation as both a trope for the analysis of contemporary transcultural dynamics and as a concrete communication practice in the globalized world The chapters range across many geographic realities and genres including fiction memoir animated film and hip hop and deal with subjects as varied as self translation translational ethics and language change As a whole the book makes an important contribution to our understanding of how meanings are generated and relayed in a context of super diversity in which traditional understandings of language and translation can no longer be sustained **The Widow's Box**

Peter A. LaPorta, 2023-01-12 The women have gossiped with stories throughout history as if these walls could talk and they heard every word The men regale each other with exaggerated stories assuming the mattress could not talk and challenge their boasts What stories would the furniture tell if it shared the inside secrets How many lives has it touched in the last 100 years How many generations have touched the high gloss cherry wood finish and lived to tell the tale Every scratch has a story every blemish a punishment True furniture endures the test of time and captures lifetimes of moments along the way A violent storm in 1916 destroys the southern ridge of the Blue Ridge Mountains but gives birth to furniture manufacturing The very trees that threatened lives in the storm are transformed into beautiful furniture pieces with a hidden feature A Widow's Box As the set is purchased and becomes part of the Papa family the hidden box is kept secret Some use the box to hide their past some to save their future Generations of family endure the struggle to maintain the furniture and protect the secrets within Come along on this magical journey through time as LaPorta whisks you away along the lives that are touched within a 100 years Some will perish and other flourish but they all have one thing in common the Widow's Box Will the secret within be carried to the graveyard of the landfill or will quality and love endure the test of time *Collier's Once a Week*, 1939-07

Slice William Patterson, 2012-03-01 Cut By Cut When Jessie Clarkson left Sayer's Brook Connecticut she was pregnant terrified and married to a psychopath She knew Emil would do anything to prevent her incriminating him if he ever found her Staying alive for the sake of her child was all that mattered Inch By Inch Five years later Emil is dead and Jessie is ready to stop running With her daughter Abby starting school going home to be among friends and family makes sense Until the murders start All the victims are viciously stabbed and slashed across the throat And each of them has a connection to Jessie He's Getting Close Enough To Kill Is Emil still alive tracking her down or do the answers lie elsewhere in her troubled past One horrifying crime at a time a killer is making his intentions clear Jessie may have escaped Sayer's Brook once But someone is making sure she never leaves again Swastika Over Paris Jeremy Josephs, 2012-05-01 An account of the mass

heart of occupied WWII Paris an elegant fashion house is the unlikely headquarters of a daring resistance network Behind closed doors courageous women vie to save loved ones and strangers alike from the Nazis in this powerful story of survival friendship and second chances France 1942 Once Paulette Leblanc spent her days flirting shopping and drawing elegant dresses in her sketch pad Then German tanks rolled into France and a reckless romance turned into deep betrayal Blaming herself for her mother's arrest by the Gestapo Paulette is sent away to begin a new life in Paris working as apprentice to fashion designer Sabine Ballard But Maison de Ballard is no ordinary fashion house While seamstresses create the perfect couture gowns clandestine deals and secrets take place out of sight Mademoiselle Ballard is head of a vast network of resistance fighters including Paulette's coworker and friend Nicole Cadieux who help escort downed military men and Jewish families to safety Soon Paulette is recruited as a spy Working as a seamstress by day gathering information at glamorous parties by night Paulette at last has a chance to earn the redemption she craves But as the SS closes in and Nicole goes missing Paulette must make life and death decisions about who to trust who to love and who to leave behind
