Hands of Jesus Rekha Vidyarthi, 2012-03 Archangel Michael taught interactive healing to author Rekha Vidyarthi through this technique she has assisted the healing process in people for sixteen years Michael said to her You need to heal yourself in order to heal others Written with Jesus s guidance Healing Hands of Jesus illustrates how you can choose to change the karmic things and past lives that are happening right now Angels heal many lives at once by healing one personality and integrating one fragment at a time into the higher self shortening the incarnation of a troubled past and present Every experience in life is created by unconscious thoughts Your outer situation triggers your innermost emotions and feelings The mind requires answers in order to change one s perspective Because most answers lie either in childhood or in a past life it is necessary to look within The angels trigger our memories to identify the connection which is when healing begins Such things as parental imprinting family karma ego anger fear guilt sadness depression or learned behavior perpetuate from one

life to the next These issues repeat themselves through many lives until we learn how to heal the issues Healing Hands of Jesus explains that we must ask forgiveness for the negative things that are happening to us now in order to heal ourselves

Angels and Companions in Spirit Laeh Maggie Garfield, 1995

Angels are beings of an exalted order. For the most part, their activity goes beyond the scope of everyday human concerns. Yet many of us have felt their presence. Socrates had his daemon, William Blake received artistic guidance from his departed brother. Spirit guides are frequently termed guardian angels, but it's much more accurate to describe them as helpers and comforters, mentors and companions. Laeh Maggie Garfield, nationally known teacher and healer, says her own spirit helper promises faith, love, creativity, joyous self-expression, and the flow of abundance. In this fascinating introduction to working with your own guardian angel and other spirit companions. African Angels Keenan Pendergrass, 2000-11-20

Poetry can be a personal journey or a shared experience, but seldom can a poet combine the two to create such a dynamic collection of thought-provoking verse. African Angels captures the quest of people on a spiritual journey and explores the many possibilities of love, life, inspiration, and personal growth. As we attempt to heal our mind, body, and spirit, many of us have the answers our society has provided, but seek the questions that will guide us to our own spiritual path. Whether you are at the beginning, middle, or end of your journey, African Angels is a must-read. *Angel Intuition* Tanya Carroll Richardson, 2018-12-08
