Anglophiles Field Guide

Jeffry M Diefendorf, Kurk Dorsey

Anglophiles Field Guide:

Anglophilia Elisa Tamarkin, 2008-11-15 *Anglophilia* charts the phenomenon of the love of Britain that emerged after the Revolution and remains in the character of U S society and class the style of academic life and the idea of American intellectualism But as Tamarkin shows this Anglophilia was more than just an elite nostalgia it was popular devotion that made reverence for British tradition instrumental to the psychological innovations of democracy Anglophilia spoke to fantasies of cultural belonging polite sociability and finally deference itself as an affective practice within egalitarian politics Tamarkin traces the wide ranging effects of anglophilia on American literature art and intellectual life in the early nineteenth century as well as its influence in arguments against slavery in the politics of Union and in the dialectics of liberty and loyalty before the civil war By working beyond narratives of British influence Tamarkin highlights a more intricate culture of American response one that included Whig elites college students radical democrats urban immigrants and African Americans Ultimately Anglophila argues that that the love of Britain was not simply a fetish or form of shame a release from the burdens of American culture but an anachronistic structure of attachment in which U S Identity was lived in other languages of national expression Reader's Guide to Literature in English Mark Hawkins-Dady, 2012-12-06 Reader s Guide Literature in English provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study **City, Country, Empire** Jeffry M Diefendorf, Kurk Dorsey, 2012-01-26 In the urgently expanding field of environmental history two trends are emerging Research has internationalized crossing political and historical borders And urban spaces are increasingly seen as part of not apart from the global environment In this book Jeffry Diefendorf and Kurk Dorsey have gathered much of the important work pushing the field in new directions Eleven essays by prominent and regionally diverse scholars address how human and natural forces collaborate in the creation of cities the countryside and empires The Cities section features essays that examine pollution and its aftermath in Pittsburgh the Ruhr Valley Germany and Los Angeles These urban areas are far apart on the globe but closely linked in their histories of how human decision making has affected the environment Changing rural and suburban spaces are the focus of Countryside Elizabeth Blackmar follows the money in order to understand why the financing of suburban mall developments makes local resistance difficult Studies of the fractious history of the creation of a wildlife refuge in Oregon and the ongoing impact of hydraulic mining in the early California goldmining era emphasize the misuse of technology in rural spaces Such misuse is a central idea of Empires In *When Stalin Learned to Fish* Paul R Josephson tells the story of Soviet fishing technology designed to harness fish to the engine of socialism Other essays explore the failures of Western agricultural technology in Africa and the relationship between such technology and disease in European attempts to conquer the Caribbean In a stirring wide ranging consideration of the neo European colonies the

United States Australia Canada and New Zealand Thomas R Dunlap observes the ongoing unsettled interaction of lands and dreams An afterword by Alfred W Crosby an eminent scholar of environmental history closes the book with a broad and insightful synthesis of the history and future of this critical field The Disney Middle Ages T. Pugh, S. Aronstein, 2012-12-10 For many the middle ages depicted in Walt Disney movies have come to figure as the middle ages forming the earliest visions of the medieval past for much of the contemporary Western and increasingly Eastern imagination The essayists of The Disney Middle Ages explore Disney's mediation and re-creation of a fairy tale and fantasy past not to lament its exploitation of the middle ages for corporate ends but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture's fascination with the middle ages

Chanterelle Dreams, Amanita Nightmares Greg Marley, 2010-08-31 Throughout history people have had a complex and confusing relationship with mushrooms Are they fungi food or medicine beneficial decomposers or deadly poisons Marley reveals some of the wonders and mysteries of mushrooms and the conflicting human reactions to them *The Rough Guide to Walks in & Around London (Travel Guide with eBook)* Rough Guides, 2023-08-01 This practical travel guide to Walks in and Around London features detailed factual travel tips and points of interest structured lists of all iconic must see sights as well as some off the beaten track treasures Our itinerary suggestions and expert author picks of things to see and do will make it a perfect companion both ahead of your trip and on the ground This Walks in and Around London guide book is packed full of details on how to get there and around pre departure information and top time saving tips including a visual list of things not to miss Our colour coded maps make Walks in and Around London easier to navigate while you're there This guide book to London contains 46 walks in this new edition and 5 of them are completely new walks It has been fully updated post COVID 19 The Rough Guide to Walks in and Around London covers London The North Downs The Weald The South Downs The Saxon Shore The North Wessex Downs to the New Forest The Thames Valley The Chilterns and Blenheim St Albans to Bedfordshire Essex Cambridge and the Fens Inside this Walks in and Around London travel guide you'll find RECOMMENDATIONS FOR EVERY TYPE OF TRAVELLER Experiences selected for every kind of trip to Walks in and Around London from off the beaten track adventures in Hampstead Heath to family activities in child friendly places like Cambridge or chilled out breaks in popular tourist areas like Hyde Park PRACTICAL TRAVEL TIPS Essential pre departure information including entry requirements getting around health information travelling with children sports and outdoor activities food and drink festivals culture and etiquette shopping tips for travellers with disabilities and more TIME SAVING ITINERARIES Includes carefully planned routes covering the best of Walks in and Around London which give a taste of the richness and diversity of the destination and have been created for different time frames or types of trip DETAILED REGIONAL COVERAGE Clear structure within each sightseeing chapter of this Walks in and Around London travel guide includes
