

# ANGRY BIRDS

## "The Parabolic Edition"

Blue Bird, and Black Bird are angry with the pigs. The pigs stole their eggs back and will stop at nothing to get them back. You must launch a bird with a parabola. Use "x" as the distance and "y" as the height.

For each bird, determine the following:

- Maximum height your bird flew?
- Total distance your bird traveled?
- When was it the highest?
- When was it the longest?

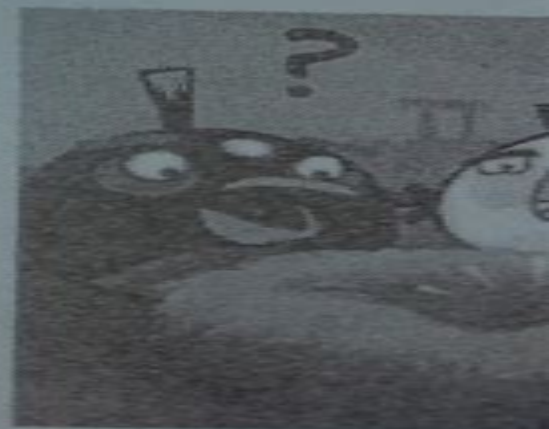

Is King Pig located at point (21, 19.5)?

Is Mustache Pig located at point (9, 21)?

Complete the following by checking the box.

(artistically done with color) graph for every bird's path (find roots, vertex, and AOS) and label the graph with the bird's name.
