Creation - Transformation - Theology Margit Eckholt,2022 The social and cultural challenges posed by the increasing threat to creation climate change destruction of biodiversity etc are the starting point for new philosophical ethical and theological reflections on the relationship between God human beings and the world as presented in this volume God s creative impulse which transforms anew is at work in the actions of human beings and challenges us in view of the threat to the house of life earth to go new ways that make a common and good life possible Creation and transformation are interrelated an ecological theology of creation and practice of sustainability to be developed in the European context is to be embedded in the horizon of a global liberating theology

Expressive Arts Education and Therapy Markus Scott-Alexander,2020-06-29 In Expressive Arts Education and Therapy the reader follows the creation of art making in tandem with the unfolding of sense making A dance theatre lab is the stage for exploration where what was discovered was phenomenologically and collaboratively reflected upon the participatory nature of the creative work pouring into the research methodology Creative Process based Research efficacy is contingent upon the interaction of three poles the creator the product and an experience of the internal external creative process of the creator All three perspectives comprise the dynamics required of this research methodology in order to understand what is occurring in these three distinct and essential elements of the creative process What results is an experience of cohesion that consciously describes this interplay The author outlines his influences that contributed to both the art making and sense making over the seven year research project His work in experimental theatre in New York as an educator with The European Graduate School in Switzerland and his studies with philosopher John de Ruiter in Canada are integrated into the world of research in the field of expressive arts The visceral component of creating clarity is uncovered and articulated This book inspires new ways of thinking about participatory collaborative arts centered research where the skill of exposing the artist researcher s modus operandi for making art and making sense is named in a myriad of ways that call upon the intellect as well as the artist s intuitive sense of what to focus on and its relevance to education therapy and global health

Anna Halprin Libby Worth,Helen Poynor,2018-06-13 Anna Halprin traces the life s work of this radical dance maker documenting her early career as a modern dancer in the 1940s through to the development of her groundbreaking approach to dance as an accessible and life enhancing art form Now revised and reissued this book sketches the evolution of the San Francisco Dancers Workshop exploring Halprin s connections with the avant garde theatre music visual art and architecture of the 1950s and 60s offers a detailed analysis of Halprin s work from this period provides an important historical guide to a time when dance was first

explored beyond the confines of the theatre and considered as a healing art for individuals and communities As a first step towards critical understanding and an initial exploration before going on to further primary research Routledge Performance Practitioners offer unbeatable value for today's student *Careers in Dance* Ali Duffy, 2021 *Careers in Dance* explores the expanding opportunities in dance in various settings and with a variety of focuses including performance choreography and competition It helps dancers pinpoint their passions and strengths and equips them to forge fulfilling careers in dance

Making Dances That Matter Anna Halprin, 2019-02-08 Anna Halprin vanguard postmodern dancer turned community artist and healer has created ground breaking dances with communities all over the world Here she presents her philosophy and experience as well as step by step processes for bringing people together to create dances that foster individual and group well being At the heart of this book are accounts of two dances the Planetary Dance which continues to be performed throughout the world and Circle the Earth The Circle the Earth workshop for people living with AIDS has generated dozens of scores for others to adapt In addition the book provides a concrete guide to Halprin's celebrated Planetary Dance Now more than 35 years old Planetary Dance promotes peace among people and peace with the Earth Open to everyone it has been performed in more than 50 countries In 1995 more than 400 participants joined her in a Planetary Dance in Berlin commemorating the fiftieth anniversary of the signing of the Potsdam Agreements at the end of World War II More recently she took the Planetary Dance to Israel bringing together Israelis and Palestinians as well as other nationalities Throughout this book Halprin shows how dance can be a powerful tool for healing learning and mobilizing change and she offers insight and advice on facilitating groups If we are to survive Halprin argues we must learn experientially how our individual stories weave together and strengthen the fabric of our collective body Generously illustrated with photographs charts and scores this book will be a boon to dance therapists educators and community artists of all types *Choreography, Visual Art and Experimental Composition 1950s-1970s* Erin Brannigan, 2022-03-29 Winner of the 2023 Selma Jeanne Cohen Prize in Dance Aesthetics The American Society for Aesthetics This book traces the history of engagements between dance and the visual arts in the mid twentieth century and provides a backdrop for the emerging field of contemporary intermedial art practice Exploring the disciplinary identity of dance in dialogue with the visual arts this book unpacks how compositional methods that were dance based informed visual art contexts The book provokes fresh consideration of the entangled relationship between and historiographic significance of visual arts and dance by exploring movements in history that dance has been traditionally mapped to Neo Avant Garde Neo Dada Conceptual art Postmodernism and Performance Art and the specific practices and innovations from key people in the field like John Cage Anna Halprin and Robert Rauschenberg This book also employs a series of historical and critical case studies which show how compositional approaches from dance breath weight tone energy informed the emergence of the intermedial Ultimately this book shows how dance and choreography have played an important role in shaping visual arts culture and enables the re imagination of current art practices through the use of

choreographic tools This unique and timely offering is important reading for those studying and researching in visual and fine arts performance history and theory dance practice and dance studies as well as those working within the fields of dance and visual art Chapter 1 of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license available at <http://www.taylorfrancis.com>

Dictionary of Modern American Philosophers John R. Shook, 2005-01-01 The Dictionary of Modern American Philosophers includes both academic and non academic philosophers and a large number of female and minority thinkers whose work has been neglected It includes those intellectuals involved in the development of psychology pedagogy sociology anthropology education theology political science and several other fields before these disciplines came to be considered distinct from philosophy in the late nineteenth century Each entry contains a short biography of the writer an exposition and analysis of his or her doctrines and ideas a bibliography of writings and suggestions for further reading While all the major post Civil War philosophers are present the most valuable feature of this dictionary is its coverage of a huge range of less well known writers including hundreds of presently obscure thinkers In many cases the Dictionary of Modern American Philosophers offers the first scholarly treatment of the life and work of certain writers This book will be an indispensable reference work for scholars working on almost any aspect of modern American thought

Improvised Dance Nalina Wait, 2023-04-14 This book elucidates the technical aspects of improvised dance performance and reframes the notion of labour in the practice from one that is either based on compositionally formal logic or a mysterious impulse to one that addresses the in corporeal dimensions of practice Mobilising the languages and conceptual frameworks of theories of affect embodied cognition somatics and dance this book illustrates the work of specialist improvisers who occupy divergent positions within the complex field of improvised dance It offers an alternative narrative of the history and current practice of Western improvised dance centred on the epistemology of its in corporeal knowledges which are elusive yet vital to the refinement of expertise Written for both a disciplinary specific and interdisciplinary audience this book will interest dance scholars students and practising artists
