## **A Lifetime On Clouds Text Classics:**

**A Lifetime on Clouds** Gerald Murnane, 2013-10-23 Adrian Sherd is a teenage boy in Melbourne of the 1950s the last years before television and the family car changed suburbia forever Earnest and isolated tormented by his hormones and his religious devotion Adrian dreams of elaborate orgies with American film stars and of marrying his sweetheart and fathering eleven children by her He even dreams a history of the world as a chronicle of sexual frustration A Lifetime on Clouds is funny honest and sweetly told a less ribald Catholic Australian Portnoy's Complaint Gerald Murnane was born in Melbourne in 1939 His first novel Tamarisk Row was published in 1974 It was followed by A Lifetime on Clouds The Plains and five other works of fiction the most recent of which is A History of Books In 1999 he won the Patrick White Award Ten years later he won the Melbourne Prize for Literature Unquestionably one of the most original writers working in Australia today Australian A Lifetime on Clouds delighted me I was particularly admiring of the author's unfailing ability to say just enough and no more Les Murray Sydney Morning Herald Murnane draws out a great deal of comedy from the distance between what his hero does and what he dreams Guardian If you only ever read one Gerald Murnane novel in your life I urge you to make it this one Andy Griffiths in his introduction [A Lifetime on Clouds](#) Gerald Murnane, 1978 [A Dutiful Daughter](#) Thomas

Keneally, 2019-04-02 Australian literature's strangest novel written by its most familiar novelist **Down in the City** Elizabeth Harrower, 2013-10-23 Esther Prescott has seen little of life outside her wealthy family's Rose Bay mansion until flashy Stan Peterson comes roaring up the drive in his huge American car and barges into her life Within a fortnight they are living in his Kings Cross flat Moody and erratic proud of his well bred wife yet bitterly resentful of her privilege Stan is involved with his former girlfriend and a series of shady business deals Esther innocent and desperate to please him must endure his controlling ways This story of a troubled and obsessive marriage set against the backdrop of postwar Sydney is devastating First published in 1957 Down in the City announced Elizabeth Harrower as a major Australian writer Elizabeth Harrower was born in Sydney in 1928 and moved to London in 1951 She travelled extensively and began to write fiction Her first novel Down in the City was published in 1957 and was followed by The Long Prospect a year later In 1959 she returned to Sydney where she began working for the ABC and as a book reviewer for the Sydney Morning Herald In 1960 she published The Catherine Wheel the story of an Australian law student in London her only novel not set in Sydney The Watch Tower appeared in 1966 No further novels were published until May 2014 when Harrower's lost novel In Certain Circles was released Her work is austere intelligent ruthless in its perceptions about men and women She was admired by many of her contemporaries including Patrick White and Christina Stead and is without doubt among the most important writers of the postwar period in Australia Elizabeth Harrower died in Sydney on 7 July 2020 at the age of ninety two Down in the City marked the arrival of one of the sharpest authors of psychological fiction in Australian literature Many of the things that happen in the novel are unpleasant but are rendered with such intensity and psychological insight that the experience of

reading about them is thrilling Australian a triumph from Text s project to recover forgotten Australian literature Doused in melancholy and written from an accessible yet unnerving third person perspective Harrower s debut is a light read with weighty resonance Readings Bookshop *I for Isobel* Amy Witting, 2014-01-29 Winner of the Barbara Ramsden Prize 1990 This was life no sooner had you built yourself your little raft and felt secure than it came to pieces under you and you were swimming again Born into a world without welcome Isobel observes it as warily as an alien trying to pass for a native Her collection of imaginary friends includes the Virgin Mary and Sherlock Holmes Later she meets Byron W H Auden and T S Eliot Isobel is not so much at ease with the flesh and blood people she meets and least of all with herself until a lucky encounter and a little detective work reveal her identity and her true situation in life *I for Isobel* a modern day Australian classic was followed by *Isobel on the Way to the Corner Shop* winner of the Age Book of the Year Award Amy Witting was born in Annandale an inner suburb of Sydney in 1918 She attended Sydney University then taught French and English in state schools Beginning late in life she published six novels including *The Visit* *I for Isobel* *Isobel on the Way to the Corner Shop* and *Maria s War* two collections of short stories two books of verse *Travel Diary* and *Beauty is the Straw* and her *Collected Poems* When we come to write the history of Australian writing in the twentieth century the strange case of Amy Witting will be there to haunt us Here is a writer who not only has great gifts the kind of expert and mimetic gifts that would impel instant recognition from someone who admired a fine lined American naturalist like William Maxwell but a realist who has an effortless immediacy and a compelling sense of drama that should have ensured the widest kind of appeal the sort of appeal that Helen Garner could command in her fiction writing days And yet this woman who published in the New Yorker and commanded the respect of Kenneth Slessor was scarcely encouraged during the long grey sleep of Australian fiction publishing It wasn t until the publication of *I for Isobel* that Witting gained a national profile Peter Craven Australia s Amy Witting is comparable to Jean Rhys but she has more starch or vinegar The effect is bracing New Yorker Isobel is instinctively searching for a lost part of her substance the very memory of which has been obliterated Prompted by her inexplicable sense of loss she goes on her way deviating baffled yet rejecting substitutes To call the ending happy is to say both too much and too little Was the lost part also searching for her Amy Witting s admirers will find this novel as distinctive and compelling as her stories and her poetry Jessica Anderson Witting lays bare with surgical precision the dynamics of families sibling students in coffee shops office coteries One sometimes feels positively winded with unsettling insights There is something relentless almost unnerving in her anatomising of foibles fears obsessions private shame the nature of loneliness the nature of panic Janette Turner Hospital A beautifully but unobtrusively honed style a marvellous ear for dialogue a generous understanding of the complex waywardness of men and women Andrew Riemer Terrific incredibly wise When I finished it I went straight back to the first page Cate Kennedy **The Fortunes Of Richard Mahony** Henry Handel Richardson, 2012-04-26 Richard Mahony is a restless man Ballarat England Melbourne Europe the bush elsewhere is always

better Searching for a place a meaning a life Mahony and his wife Mary journey from wealth to poverty order to chaos sanity to the asylum The Fortunes of Richard Mahony is a towering novel      *Gerald Murnane* Professor Anthony Uhlmann

to the texts only The codicological difference is important for reconstructing why and how these manuscripts which in many cases resemble or contain a small library were produced and used Contributions on the manuscript cultures of China India Africa the Islamic world and European traditions lead not only to the conclusion that one volume libraries have been produced in many manuscript cultures but allow also for the identification of certain types of uses *The Last Knight* Norman F. Cantor,2010-05-11 There may not be a more fascinating a historical period than the late fourteenth century in Europe The Hundred Years War ravaged the continent yet gallantry chivalry and literary brilliance flourished in the courts of England and elsewhere It was a world in transition soon to be replaced by the Renaissance and the Age of Exploration and John of Gaunt was its central figure In today s terms John of Gaunt was a multibillionaire with a brand name equal to Rockefeller He fought in the Hundred Years War sponsored Chaucer and proto Protestant religious thinkers and survived the dramatic Peasants Revolt during which his sumptuous London residence was burned to the ground As head of the Lancastrian branch of the Plantagenet family Gaunt was the unknowing father of the War of the Roses after his death his son usurped the crown from his nephew Richard II Gaunt s adventures represent the culture and mores of the Middle Ages as those of few others do and his death is portrayed in *The Last Knight* as the end of that enthralling period *Such is Life* Joseph Furphy,2013-11-20 A classic of the Australian outback *Such Is Life* is the farcical tragic reminiscences of Tom Collins philosopher and rogue As Tom drives his team across the plains of the Riverina and northern Victoria he gets entangled in the fate of others like Rory O Halloran the two Alfs Nosey and Warrigal and Hungry Buckley of Baroona recreating the humour the pathos the irony of life in the bush His is the tough talking law dodging world of the 1880s where swagmen and bullockies slept under the stars with grandeur peace and purity above squalor worry and profanity below These inspired yarns fatally governed by an inveterate truthfulness are woven into one of the greatest books of Australian literature combining a genius for story telling with a wry wit and a deep feeling for the harsh sun baked land and the people who worked it Joseph Furphy was born at Port Phillip Victoria in 1843 Half bushman and half bookworm Furphy worked as a goldminer labourer and farmer before coming to the profession that would inspire *Such Is Life* bullock driving In 1904 he settled in Fremantle Western Australia to join his children *Such Is Life* was originally published in 1903 and was soon regarded as one of Australia s great novels Furphy s three other books *Poems* *Rigby s Romance* and *The Buln Buln* and the *Brolga* were all published after his death in 1912 *New Light on Galaxy Evolution* Ralph Bender,Roger L.
