A Midnight Clear Katherine Stone, 2022-03-06 Katherine Stone's magical touch makes A Midnight Clear a story for all seasons Book Page Thunder sounded anew closer now an ominous rumbling a ferocious growl Both of them greeted the sound with gentle smiles Then Jace spoke without smiling but with such gentleness still as lightning illuminated the night gray sky I think Julia that you are absolutely fearless No Jace I'm not On paper maybe I might seem that way On plans conjured months in advance and an ocean away But now that I'm here I would be very happy to prove my point By accompanying you to Canterfields Really Of course I yes Thank you That makes me feel safe Oh Julia Anne Hayley he thought you are not safe with me For him love was a nightmare Haunted by memories of a Christmas Eve inferno trauma surgeon Jace Colton guards his solitude as fiercely and as passionately as he tends to the desperately injured who need his care For her love is an awakening Julia Anne Hayley's memories are lovely not haunting a billowy cocoon in which she has hidden from life from living far too long But she knows it is time to leave the solitary sanctuary that is her home and if she dares to fly Jace and Julia have six magical days and nights in London at Christmas But their Christmastime enchantment is like a snowflake delicate perfect and destined to die The magic cannot possibly last can it Praise for the novels of Katherine Stone Katherine Stone's unique voice is clearly evident in this newest lyrical tale an almost mystical quality that is distinctly her own Romantic Times on A Midnight Clear A shimmering hypnotic story of two wounded souls who heal each other An addictive and indulgent treat Bookbug on A Midnight Clear Remarkably romantic and thoroughly enchanting Rendezvous on Pearl Moon Poignant Cass is an intrepid heroine but it is Chase who wins our hearts when he refuses to allow Cass's seeming betrayal to stop him from protecting his beloved Midwest Book Review on Bed of Roses Fairytale elements mix with those of a present day romance for thoroughly enjoyable results Kirkus Reviews on Rainbows Katherine Stone writes in the vein of

Danielle Steel and Sandra Brown Library Journal Alluring Fascinating Each page brings a new adventure every plot twist another question begging to be answered Rendezvous on Imagine Love Heart tugging few romance fans will remain unmoved Publishers Weekly on Thief of Hearts Katherine Stone's high quality romance ranks right up there with Nora Roberts Booklist Sweeping drama Her most emotionally charged and intricate story of love yet Romantic Times on Imagine Love *Hiding Out* Debbie McGowan, 2015-03-18 If any adult was going to get the chicken pox it would be Sean Tierney That alone would be bad enough but his illness means friend and colleague Josh Sandison Morley has to step in and face his fears guest speaking at a university in Norwich As Josh gathers his husband and his foster daughter for the trip he is unaware that their world is about to collide with that of another makeshift family Noah and Matty's Matty is agonising over his impending dance show Sure talent scouts will be in the audience but there's an even bigger problem Noah Matty's on again off again boyfriend has promised to be there too And Matty's dance It has a secret meaning he's not sure he's ready to reveal to Noah Can Josh and Matty face their fears and perform for their respective crowds More importantly will the Sandison Morleys influence be enough to get the young men to express their feelings to each other before it's too late This novella continues the stories of Josh and George from the Hiding Behind the Couch Series and Matty and Noah from the Checking Him Out Series *Taking Him On* Debbie McGowan, 2015-09-05 It's almost a year since Noah told Matty they needed to cool it believing it was the sensible thing to do After all they were too intense and they were both failing uni Now with Matty just weeks away from taking up his place at a prestigious London dance academy Noah is desperate to make the most of the little time they have left It's only a temporary separation and they are forever Or so he'd thought *Chain of Secrets* Debbie McGowan, 2023-02-07 The story of George and Josh two little boys who became best friends two adolescents who stayed best friends two young adults with secrets that might change their friendship forever Josh and George have always shared the special bond of friendship From days in primary school to holidays spent riding their bikes along the canal theirs is a promise to remain best friends forever But can that promise withstand the trials of adolescence and the changes in their feelings towards each other NOTE this is a fully stand alone story but it contains significant spoilers for anyone reading the Hiding Behind The Couch series and should be read after The Harder They Fall season three *Beginnings* Debbie McGowan, 2013-05-31 Journey back to childhood where the buds of friendship blossom take a peek into the lives of the primary schoolchildren who would become The Circle A prequel to the Hiding Behind The Couch books As the title suggests this short story focuses on the early school days long before the birth of the full Circle a series of sectors if you will Contains no real spoilers so can be read independently of the rest of the series and in any order A very sweet short story of blossoming friendships and childhood traumas a wonderful engaging story that made me feel good inside Highly recommended for readers who love richly written characters and clever dialogue WARNING this story deals with themes of child sexual abuse sudden infant death and parents marriage breakdown due to infidelity All issues are written about sensitively and in a way

that is intended to be accessible for children aged ten and above *Meredith's Dagger* Debbie McGowan,2019-08-20

Huddled in a doorway unseen by the men passing on great horses Meredith watched from within the hood of her cloak The pain of the cold wet morning impaled her rooting her in place even as the cat rubbed against her shins with a force that should have felled her She shooed him away Go home But he would not She wished she had died that night She wished she had died for to live like this was not to live at all When Richie Moorcroft takes a housekeeping position to finance his studies it means moving back to his childhood home an ancient almost derelict cottage locals claim is haunted But he never believed those stories he knows where they came from and in any case he has a job to do keeping nineteen year old Julian Denby on the straight and narrow without Julian realising his wealthy parents are paying Richie to do so Luckily Julian s not very astute although the same can t be said for their newest housemates Richie s bestie Anneke and Julian s older sister Tamara Add in George the cat who appeared from nowhere and is in no hurry to leave and that makes five about to uncover the sinister history of their new home No Time Like The Present Debbie McGowan,2012-11-16 Sometimes a murder mystery is the least of life s challenges This sequel to *Hiding Behind The Couch* finds Josh and The Circle fighting to prove the innocence of one James Brown a well liked and respected MD of a pizza restaurant chain But his past is far from helpful in freeing him of suspicion and Eleanor is all set to call it a day It s the perfect time to make new friends make amends and solve a murder case a beautiful tapestry which is a story encompassing so many lives and their interconnections I wanted more just so I could find out what the future held for my newfound friends All I can hope is for the possibility that Debbie McGowan might like to make this into a trilogy or even a series that I can keep indulging in for either the rest of my own or the characters lives NOTE contains *Hiding Behind The Couch* plot spoilers it is therefore recommended that these novels are read in order *No Time Like The Present* is season two in the *Hiding Behind The Couch* series The story follows chronologically from *Hiding Behind The Couch* Season One and continues in *The Harder They Fall* Season Three *Two By Two* Debbie McGowan,2015-03-31 Two pregnancies two babies two troubled teens Two psychologists hunting down the leader of a deadly cult When Libby takes a stand against her abusive parents Josh and George readily make her a part of their family However her parents may have been involved in something altogether more sinister and now *The Circle* must draw together to protect both Libby and her friend Adam Meanwhile two unexpected guests seek sanctuary in Shaunna and Andy s new home but that s only a part of it and they soon realise something is very wrong Someone is watching them All this and more in *Two By Two* Season Six of *Hiding Behind The Couch* This instalment follows chronologically from the Christmas novellas *A Midnight Clear* and *Red Hot Christmas* The story continues in *Those Jeffries Boys* WARNING this story includes themes of child abuse ritual child abuse domestic violence drug dependency suicide suicide ideation dissociative PTSD and an instance of animal abuse While these are not gratuitously depicted some scenes include moderately graphic detail *Those Jeffries Boys* Debbie McGowan,2016-05-26 Three brothers doting dads dealing with the everyday challenges of fatherhood Following the

imprisonment of his ex girlfriend Mike Jeffries has one priority his six month old daughter Bethan Between caring for her and being a self employed painter and decorator he s already got enough on his plate without his sisters in law insisting he s ready to date again Now Bethan s grandmother intends to fight him for custody and Mike s not sure he can rise to it Always up for an adventure Andy Jeffries has finally found the perfect challenge keeping the woman he loves satisfied and raising their twin daughters Rosie and Sorsha The problem is everyone else thinks he needs more and dealing with his brothers trials and tribulations means he s getting it whether he wants it or not Dan Jeffries is about to become a father for the second time and he s terrified not that he s the kind of man to admit it But after the premature birth of his daughter Shu he s taking no chances until his son is safely delivered into this world which means putting a hold on his hunt for the perfect family home However the house he wants comes with a very big price tag and not of the monetary kind Those Jeffries Boys is a novel length character special Part of Hiding Behind The Couch series This story follows chronologically from Two By Two Season Six and continues in Reunions Season Seven
