Osman,2011-03-23 Widowhood is not easy as those who decry it are only too willing to say but neither is it hard Those who
are willing to study the methods set out here will find that even if they only possess one small loft and even if they cannot
give much time to their birds they will be able to achieve success by this method for the tremendous successes in past years
in Belgium and in England have not all been won by the men with three or four lofts and 300 to 400 birds Reading through
this book you will see not only articles by the famous names of Britain and Belgium but also the methods of working men
Fanciers who have gained successes by this method There is only one thing more which needs to be said and that is if you try
this System give it a fair trial because not only may it take two or three years for birds to reach their peak under this System
