A Purpose And A Promise:

Purpose vs. Promise Nicole Marshall, 2020-01-29 It all started in the year of 2017 during the holidays while hanging out with my family It was just a few days before Christmas After leaving my mom s house I began to think of everything that has been taking place in my life and it seems that all I have been acquainted with was ups and downs Another year will soon pass and still nothing After leaving my mom s house around 4 00 p m I believe I got in my car and just began to think It seemed as if everything possible just hit me all at once Life I m still single almost forty years old Never been married and no kids Oh how I desired babies I just felt completely alone so I just drove I ve cried my eyes out Oh I was a mess I have never ever been through anything quite like this in my entire life You know why I was so caught up in my promise You know the things that God promised me I lost sight of my purpose So when God began to talk to me on Monday 1 2018 He said Nicole what are you committed to your relationship with Me or the things that I have already confirmed that is yours He said Your relationship with Me is more important than your promise God made these promises to you before you even had a desire for them Are you committed to your purpose or the promise The Lord is not slack concerning His promises 2 Peter 3 9 KJV Pain with a Purpose Dr. Cheryl R. Smith, 2012-04-30 Pain With a Purpose takes a look at what pain is what it does and how it effects our lives Often times as believers we are made to feel like we should not have to endure any pain but not true The more anointed you are the more you will be tried The more gifted you are the more you will be tested This book brings a sense of reality to your pain in order to find meaning Part of understanding your pain is acknowledging it and accepting the process that comes with it This book is intended to highlight that Often times your perspective of pain can hinder you from seeing the bigger picture that there is a purpose in this somewhere The process is intended to help someone else There will always be challenges in life How you face those challenges sets the tone for how you maneuver through life This book is written specifically to anyone who has ever experienced pain and did not understand why or was not sure of how to move forward Understanding the process can help you move from hurting to healing to wholeness This book is written to offer insight This is written to offer hope A Princess With A Purpose Jamie Harris, 2017-04-12 Angel and her brother Caleb moved from Maine to attend George Washington University where Angel was expected to be a star soccer player Angel hoped to leave her past behind Upon arrival she met Michelle a spunky pre law student who grew up in Ireland and her twin sister Shawna from Louisiana Angel and Michelle became best friends Michelle s rich father provided a house for his daughters and they invited Angel and Caleb to live with them Angel soon realized she can run away from home but she can t run away from her dreadful past Angel is fighting for her life and her only hope is her newfound friend but will that friendship be strong enough to overcome the evil that s after Angel **Minding God's Business** Ray S.
