Ennis,2023-05-01 During the pandemic the focus has been on how education and social interaction with peers were integral to children s functioning However very little regard was given to another very important question how do our children feel about the pandemic and how do they process this experience Why is it assumed that cognitive functioning and social interaction are the most significant areas of child development What emotional factors are at play Are the children alright How are their families coping and does this have an impact on the children What I hope to achieve by compiling this edited collection is to bring awareness to the child s perspective within the family unit in addition to addressing other contributing factors that had an impact on their coping mechanisms This collection will hopefully inform whether the choices that were made and should be made related to children have been sound ones and perhaps should be re examined as a result of this book s findings conclusions and speculations *The Bold Dare All* L. Ron Hubbard,2014-06-23 As brash and bold and daring

as Steve McQueen Lieutenant Lee Briscoe will never back away from a good cause or good fight And when it comes to heroism he and McQueen are in the same band of brothers Briscoe s gone undercover to infiltrate a slave labor camp on an island in Southeast Asia knowing full well that once he goes in he may never get out Posing as a man on the run for murder he may soon wish he had run in the opposite direction His adversary on the island is Schwenk a man who is not only a connoisseur of cruelty but an expert at delivering it And for Briscoe the stakes have just shot up An innocent young woman has landed on the island and fallen into Schwenk s clutches sold to him to do with her as he pleases Escape is the only option or both Briscoe and the girl are sure to face a fate worse than death L Ron Hubbard once wrote in his journal There must be wide spaces in which to think strange music to hear odd costumes to see and the elements to battle against Money nice cars good food and a good job mean nothing to me when compared to being able to possess the thought that there is a surprise over the horizon Venturing toward that horizon at age seventeen Ron set sail for the South Pacific in July 1927 and after spending time getting to know the local natives he signed aboard a working schooner bound for China s coast Along the way Ron encountered many dangers lurking in the thick jungle mists firsthand experience that contributed to stories like *The Bold Dare All* **The Irish Brotherhood** Helen O'Donnell,Kenneth O'Donnell, Sr.,2016-03-15 The Irish Brotherhood is the

history of Jack Kennedy's original political inner circle. Led by Bobby Kennedy, Kenny O'Donnell, Larry O'Brien, and Dave Powers, they were tough-minded Irish Catholic guys who were joined together by a common ambition to see Jack Kennedy through to the White House. War veterans who were young, ambitious, and they wanted their country back. Jack Kennedy was their man, their leader. No matter that he was Irish Catholic and his Old Man had made as many enemies as friends. Jack had ambition, brains, a special charisma. To win the White House would be a victory not only for Jack Kennedy but for the downtrodden. They collectively decided that if the political powers would not let them in willingly, then they would kick the door down. At the center of the story is Kenny O'Donnell, Jack Kennedy's tough-talking, no-bullshit top political aide. Jack recognized he needed Kenny's blue-collar political genius, and Kenny recognized something special in Jack. The Irish Brotherhood describes what it was like to be inside the Kennedy inner circle. With Bobby, who was determined to make his own mark apart from his famous family, his life-long struggle never won, never lost. With Joe as Kenny and Larry prove to him that their outsider approach was going to work after Jack's crushing victory in '58, which sets the stage for the Presidential campaign to come. This book is a missing piece of the story of the improbable rise to power of John F. Kennedy and further fills out the picture of the man, revealing that Jack Kennedy was at heart a politician. He enjoyed the rough and tumble and, despite his personal issues or perhaps because of them, he became determined to succeed beyond anybody's expectations. It is intriguing, an indelible portrait of the son, brother, friend, Congressman, Senator, and President. *Writing the Nigeria-Biafra War* Toyin Falola, Ogechukwu Ezekwem, 2016. 21.
