A Hologram For The King:

A Hologram for the King Dave Eggers, 2013-02-07 New from Dave Eggers National Book Award finalist A Hologram for the King In a rising Saudi Arabian city far from weary recession scarred America a struggling businessman pursues a last ditch attempt to stave off foreclosure pay his daughter s college tuition and finally do something great In A Hologram for the King Dave Eggers takes us around the world to show how one man fights to hold himself and his splintering family together in the face of the global economy s gale force winds This taut richly layered and elegiac novel is a powerful evocation of our contemporary moment and a moving story of how we got here A master of the surprising metaphor Eggers s great skill is in tracking the exuberant chaos of thought with all its sudden poignancies and unexpected joys Daily Telegraph Among the most influential writers in the English language GQ Eggers can write like an angel Tablet

Moments of Capital Eli Jelly-Schapiro, 2023-03-21 Undertaken at the interface of critical theory and world literature Moments of Capital sets out to grasp the unity and heterogeneity of global capital in the postcolonial present Eli Jelly Schapiro argues that global capital is composed of three synchronous moments primitive accumulation expanded reproduction and the synthetic dispossession facilitated by financialization and privatization These moments correspond to distinct economic and political forms and distinct strands of theory and fiction Moments of Capital integrates various intellectual traditions from multiple trajectories of Marxist thought to Weberian inquiries into the spirit of capitalism to anticolonial accounts of racial depredation to reveal the concurrent interrelation of the three moments of capital The book s literary readings meanwhile make vivid the uneven texture and experience of capitalist modernity at large Analyzing formally and thematically diverse novels works by Fiston Mwanza Mujila Marlon James Jennifer Egan Eugene Lim Rafael Chirbes Neel Mukherjee Rachel Kushner and others Jelly Schapiro evinces the different patterns of feeling and consciousness that register and hypothesize a way beyond the contradictions of capital This book develops a new conceptual key for the mapping of contemporary theory world literature and global capital itself

Death and the Rock Star Catherine Strong, Barbara Lebrun, 2016-03-03 The untimely deaths of Amy Winehouse 2011 and Whitney Houston 2012 and the resurrection of Tupac Shakur for a performance at the Coachella music festival in April 2012 have focused the media spotlight on the relationship between popular music fame and death If the phrase sex drugs and rock n roll ever qualified a lifestyle it has left many casualties in its wake and with the ranks of dead musicians growing over time so the types of death involved and the reactions to them have diversified Conversely as many artists who fronted the rock n roll revolution of the 1950s and 1960s continue to age the idea of dying young and leaving a beautiful corpse which gave rise for instance to the myth of the 27 Club no longer carries the same resonance that it once might have done This edited collection explores the reception of dead rock stars rock being taken in the widest sense as the artists discussed belong to the genres of rock n roll Elvis Presley disco Donna Summer pop and pop rock Michael Jackson Whitney Houston Amy Winehouse punk and post punk GG Allin Ian Curtis rap Tupac Shakur folk the Dutchman Andr

Hazes and world music Fela Kuti When music artists die their fellow musicians producers fans and the media react differently and this book brings together their intertwining modalities of reception The commercial impact of death on record sales copyrights and print media is considered and the different justifications by living artists for being involved with the dead through covers sampling and tributes The cultural representation of dead singers is investigated through obituaries biographies and biopics observing that posthumous fame provides coping mechanisms for fans and consumers of popular culture more generally to deal with the knowledge of their own mortality Examining the contrasting ways in which male and female dead singers are portrayed in the media the book Timescapes of Waiting ,2019-08-26 Timescapes of Waiting explores the intersections of temporality and space by examining various manifestations of spatial im mobility The individual articles approach these spaces from a variety of academic perspectives including the realms of history architecture law and literary and cultural studies in order to probe the fluid relationships between power time and space The contributors offer discussion and analysis of waiting spaces like ante chambers prisons hospitals and refugee camps and also of more elusive spaces such as communities and nation states Contributors Olaf Berwald Elise Brault Dreux Richard Hardack Kerstin Howaldt Robin Kellermann Amanda Lagji Margaret Olin Helmut Puff Katrin R der Christoph Singer Cornelia Wchter Robert Wirth Representing (Post)Human Enhancement Technologies in Twenty-First Century US Fiction Carmen Laguarta-Bueno,2022-10-07 This work studies three twenty first century novels by Richard Powers Dave Eggers and Don DeLillo as representative of a new trend of US fiction concerned with the topic of the technological augmentation of the human condition The different chapters provide from the double perspective of the optimistic transhumanist philosophy and the more balanced approach of critical posthumanism an overview of the narrative strategies used by the writers to explore the possibilities that biotechnology digital technologies and cryonics open up to transcend our human limitations while also warning their readers of their most nefarious consequences Ultimately the book puts forward the claim that even if the writers approach the subject from a variety of perspectives and using different narrative styles and techniques they all share a critical posthumanist fear that an unrestrained and unquestioned use of technology for enhancement purposes may bring about disembodiment and dehumanization Life and Work Tim Parks,2016-01-01 Cover Half Title Title Copyright Contents Introduction Charles Dickens Feodor Dostoevsky Crime or Punishment Thomas Hardy Anton Chekhov James Joyce Samuel Beckett Georges Simenon Muriel Spark Philip Roth J M Coetzee Julian Barnes Colm T ib n Geoff Dyer Peter Stamm Graham Swift Dave Eggers Haruki Murakami Peter Matthiessen Stieg Larsson E L James Acknowledgments Credits Index of Names A B C D E F G H I J K L M N O P R S T U V W Y Z **A Hologram for the King** Conor Gleeson,Mike O'Neill,2017 **It Takes a Storyteller to Know a Storyteller** Julia Nikiel,2023-01-23 If it is indeed impossible to think beyond capitalism then capital has become reality If global capitalism organizes reality through the stories it weaves capital is as strong as its fictions If capital is reality and capital is fiction then reality as such is fiction as well It is by reading this fiction for both

patterns and inconsistencies that contemporary individuals can challenge global capital and unveil its hypocrisies and it is by fighting fiction with fiction i.e. projecting new realities such as those in the post millennial novels by William Gibson Douglas Coupland and Dave Eggers that people can imagine the world anew *On the Aisle Volume 4* Philip Morency, 2023-07-25

About the Book *On the Aisle Volume 4* Film Reviews by Philip Morency is the fourth in the series of movie reviews written by Philip Morency. This edition contains films ranging from the years 2013 through 2016 with some periodic oldies but goodies mixed in. Like Philip's previous three books *On the Aisle Volume 4* contains brief and to the point movie reviews that are geared toward the average moviegoer. It is not really written from a critic's perspective but from that of the average viewer. The reviews are simple and easy to understand. What is unique about the book is that it tells the synopsis of the film then it gives the author's opinion of the film and then it lets the reader decide whether or not they would like to see the film. The films are rated on a scale of 1 through 5. There are also half star ratings such as 3 1/2 stars VERY GOOD. The contained films are listed in alphabetical order and for ease of reference there is also a table of contents page. Enjoy *On the Aisle Volume 4*.

About the Author Philip Morency was born on July 5, 1950 in Providence Rhode Island. He lived in East Providence Rhode Island until he joined the United States Air Force in 1970. Philip served for 21 years in the Air Force and enjoyed many choice assignments all over the country. He retired from the Air Force at Edwards Air Force Base in California in 1991. He was fortunate enough to land a job with Computer Sciences Corporation located on Edwards Air Force Base. There he worked as a computer operator for the company and the base. Philip later was employed by the JT3 Corporation on Edwards Air Force Base. He is currently employed by the United States government as a civil service worker serving as a data technician. Philip currently lives in Rosamond California. Philip's hobbies are playing pool, dining out, going to movies, and traveling. He became interested in movies while serving in the Air Force. He started writing movie reviews in 2003 because he thought it would be fun. He got the idea from a movie video catalog. Thus far he has written over 1500 movie reviews. Philip decided to publish books because he wanted a way to officially document his reviews. Philip also writes reviews on hotels and restaurants.

Vared Wavy Martin, 2023-03-28 Stubborn meets hotheaded and sparks fly. Thirty years ago the Zuvgran released a virus that killed most Svesti females and rendered the remainder infertile. The Svesti initiate first contact with Earth when their scientists discover that humans and Svesti can interbreed. Humans may be able to save the warrior species that has been protecting Earth's region of space for a century. Talia has no intention of entering into a breeding or troth contract no matter what her government promised. All she wants is to negotiate a treaty and go back to Earth to her son and sister. Vared is the commander of the space cruiser. As a warrior he isn't sure he wants any mate. His job deliver the human females safely to their Choosings at the King's Court. *Vared* is the first book in the Svesti Fated Mates series with a HEA and can be read as a standalone although it is recommended that the books be read in order for the best experience. **The Public Mind and the Politics of Postmillennial U.S.-American Writing** Jolene Mathieson, Marius Henderson, Julia Lange, 2022-08-22 In the

last twenty years how has U S American writing and the reading public responded to the complexity of an American culture resolutely situated in a larger highly politicized globalized world undergoing radical change The 20th century modes of realism and postmodernism have been succeeded by writerly practices that are that are invested in the idea of embodied authenticity and that are relatable to neorealism whether it be via outright affirmation or critical experimentation and appropriation The individual case studies mark the ways in which postmillennial U S American writing is marked by an ongoing awareness toward complexity and the entanglement of writers and the reading public with pressing political concerns and at times oppressive social and economic discursive and structural formations These contributions further attest to how narrative and structural complexity grammatical and lexical sophistication and social nuance endure as the main literary modes of confronting 21st century political life This volume is thus of interest for both the study of U S American political culture and U S American literature Focus On: 100 Most Popular 2010s Comedy-drama Films Wikipedia contributors,

Animation in Austria Florian Schmidlechner, 2025-05-23 This book provides a comprehensive account of Austrian animation history as well as an analysis of the current state of the industry in competition with American and cheaper international products in the face of dwindling budgets The book outlines the history of Austrian animated film from the actual beginnings at the time of the First World War It looks at the reconstruction of the animation industry during the 1950s and 60s and covers experimental animation from the 1970s onwards The final part of the book explores modern Austrian animation and looks ahead to the future of animation production within the country This book will be of great interest to academics students and professionals working and researching in the field of animation **The Oxford**

Leon, 2019-01-28 The book methodically graphs the direction of the English novel from its rise as the chief scholarly class in the mid twentieth century to its mid twenty first century status of unpredictable greatness in new media conditions Precise parts address The English Novel as a Distinctly Modern Genre The Novel in the Economy Genres Gender performativity masculinities woman s rights eccentric and The Burden of Representation class and ethnicity Broadened contextualized close

readings of more than twenty key writings from Joseph Conrad's *Heart of Darkness* 1899 to Tom McCarthy's *Satin Island* 2015 supplement the methodical approach and energize future research by giving reviews of gathering and hypothetical points of view. Expanding specialization inside the teach of English and American Studies has moved the concentration of insightful dialog toward hypothetical reflection and social settings. These improvements have profited the train in more courses than one yet they have likewise brought about a specific disregard of close perusing. Therefore understudies and scientists inspired by such material are compelled to swing to grant from the 1970s quite a bit of which depends on dated methodological and ideological presuppositions. The handbook means to fill this hole by giving new readings of writings that figure unmistakably in the writing classroom and in academic level headed discussion.

Ugly White People Stephanie Li, 2023-10-10

Whiteness revealed: an analysis of the destructive

complacency of white self consciousness White Americans are confronting their whiteness more than ever before with political and social shifts ushering in a newfound racial awareness And with white people increasingly seeing themselves as distinctly racialized not simply as American or human white writers are exposing a self awareness of white racialized behavior from staunch antiracism to virulent forms of xenophobic nationalism Ugly White People explores representations of whiteness from twenty first century white American authors revealing white recognition of the ugly forms whiteness can take Stephanie Li argues that much of the twenty first century has been defined by this rising consciousness of whiteness because of the imminent shift to a majority minority population and the growing diversification of America s political social and cultural institutions The result is literature that more directly grapples with whiteness as its own construct rather than a wrongly assumed norm Li contextualizes a series of literary novels as collectively influenced by changes in racial and political attitudes Turning to works by Dave Eggers Sarah Smarsh J D Vance Claire Messud Ben Lerner and others she traces the responses to white consciousness that breed shared manifestations of ugliness The tension between acknowledging whiteness as an identity built on domination and the failure to remedy inequalities that have proliferated from this founding injustice is often the source of the ugly whiteness portrayed through these narratives The questions posed in Ugly White People about the nature and future of whiteness are vital to understanding contemporary race relations in America From the election of Trump and the rise of white nationalism to Karen memes and the war against critical race theory to the pervasive pattern of behavior among largely liberal leaning whites Li elucidates truths about whiteness that challenge any hope of national unity and most devastatingly the basic humanity of others Retail e book files for this title are screen reader friendly
