Melchizedek,2012-04-28 Once all life in the universe knew the Flower of Life as the creation pattern the geometrical design leading us into and out of physical existence Then from a very high state of consciousness we fell in darkness and forgot who we were For thousands of years the secret was held in ancient artifacts and carvings around the world and encoded in the cells of all life Here Drunvalo Melchizedek presents in text and graphics the first half of the Flower of Life Workshop illuminating the mysteries of how we came to be why the world is the way it is and the subtle energies that allow our awareness to blossom into its true beauty Sacred Geometry is the form beneath our being and points to a divine order in our reality We can follow that order from the invisible atom to the infinite stars finding ourselves at each step The information here is one path but between the lines and drawings lie the feminine gems of intuitive understanding Explore the miracle of our existence by meandering through the wonderland of geometry science ancient history and new discovery seen through the widened vision of Drunvalo and the Flower of Life Volume 2 will explore in great detail the Mer Ka Ba the 55 foot diameter energy field of the human lightbody This knowledge leads to ascension and the next dimensional world About the Author Drunvalo Melchizedek s life experience reads like an encyclopedia of breakthroughs in human endeavor He studied physics and art at the University of California at Berkeley but he personally feels that his most important education came after college In the last 25 years he has studied with over 70 teachers from all belief systems and religious understandings providing him with a wide breadth of knowledge compassion and acceptance Not only is Drunvalo s mind exceptional but his heart his warm personality his love for all life everywhere is immediately understood and felt by anyone who meets him For some time now he has been bringing his vast vision to the world through the Flower of Life program and the Mer Ka Ba meditation **Atlantis & Lemuria** Tom T. through the entire world When it is lifted to a level of joy it lifts all minds When you know the teachings of the angels no ignorance will be left in the soul You will no longer be afraid or in pain Now is the time to stand with the angels of God and help humankind Chapters Include The Soul s Path Birth on Earth The Death of the Heavens Meeting God The Joy That Awaits You Dreams Bonus Prayer Guide It is an indisputable fact that the body dies but the spirit lives on in infinity and eternity The incomprehensible theories of the death of the body are not valid The soul is you You live through eternity to grow toward God Do not think otherwise even for a second The Mallbon Angels **Angels Explain God and the New Spirituality** Cheryl Gaer Barlow,2013-12-01 The message of this book is to tell the souls of Earth about the wonders of God the glorious angels the heavens the Earth and all existence Know above all things that God loves you more than any words can express God is always with you He is ever bringing you toward the blossoming of your soul God communicates by way of the holy angels of God The most important words we want to tell you are Open your soul Surrender your soul to God Ask God to lead you to truth love and peacefulness Ask God for any attributes you wish to acquire God s angels will help you become the strong powerful soul that you are meant to become A world of souls lifting their minds to reach God will affect the universe Be the soul you are meant to be The most powerful attribute a soul may attain is love The Angels of the Mallbon **How God Did It, Not Why** William Lowell Putnam III,2014-07-01 This entire literary endeavor to separate Biblical literalism from observable reality was prompted by the fact that one supposedly erudite scholar managed to propound on American National Public Radio with a presumably straight face the fact that the Colorado River s Grand Canyon a notable feature of the high plateau of Northern Arizona was formed in one brief but eventful period of runoff when all the waters accumulated on Earth by the Great Flood associated with the Biblical patriarch Noah drained back into the ocean through this one channel thus carving the canyon At least this scholar paid some obeisance to the process of erosion though he may well be subject to review in his concepts of timing or geography For anyone who cares to take the time and look closely can determine given the observable rate of down cutting and the total volume of material removed that the ongoing carving of the canyon must have begun some thousands of millennia before the alleged globally catastrophic flood Moreover if as we are told Noah s flood did cover the whole face of Earth even therefore the highest of mountains it would mean a worldwide oceanic depth of another five or more miles and thus require an off planet storage facility for all that water The Next Dimension Is Love Dorothy Roeder,Ranoash (the Ataien.),1993-01-01 Beings from another dimension parallel to ours and yet far beyond it give their view about what is happening on Earth now They speak about what it means to be an unlimited spiritual consciousness immersed in a limited physical body They describe how our fear of anyone different limits us and why that must change if we are to survive as a race It is our fear of change that limits our ability to reach our full potential The primary message is humanity s special ability to love in so many ways and how much we can teach the rest of the universe about creating with love That is our special contribution to this cosmos Are these beings who resemble the praying mantis really a part of us or
