states Overlanding is self reliant overland travel to remote destinations where the journey is the principal goal Typically but
not exclusively it is accomplished with mechanized off road capable transport from bicycles to trucks where the principal
form of lodging is camping It often lasts for extended periods of time months to years and spans international boundaries
Overlanding did not originate in America and it is a little different here You would be hard pressed to find a bicycle out in the
desert and most people don t stay out there quite that long However the spirit of the activity is the same Do you want to give
overlanding a try Great You will need some gear In The Overlanding Vehicle Builder s Guide veteran racer off roader and
journalist Don Alexander provides a terrific overview of what to consider when building your overlanding rig This includes
the planned duration of the trip the number of people in your party how far off the beaten path you want to go and the
creature comforts you require Understanding those wants and needs shapes what gear you need for the best experience
Covered are the strengths and weaknesses of the types of vehicles themselves modifications to the vehicles to make them
more capable accessories lighting camping gear food and water storage etc and equipment for trail mishaps and recovery
Driving techniques and trail rules and etiquette are also included If you are ready to build a rig or just want to know more
