Apples of Gold in Pictures of Silver Dave Herr,2023-10-24 Maybe some people study prophecy for the thrill of the sensational like adrenaline addicts chasing the next sky dive rush Certainly promises given hundreds or thousands of years before their fulfillments are remarkable However sensationalism is not the intended purpose And some people may think that prophecy is an ancillary nonessential part of theology But the premise of this book is that God given prophecy has a far more profound purpose than sensationalism and plays an essential inseparable part in the gospel message Now if faith in Christ is all that is necessary for salvation why is prophecy essential The angel messenger who gave the Revelation to John answered that question The angel told John These are the true sayings of God Then John fell at the feet of the angel to worship him The angel responded See you do it not for I am your fellow servant and of your brethren who have the testimony of Jesus Worship God for the testimony of Jesus is the spirit of prophecy Rev 19 10 The angel explained that all prophecy connects to Jesus Intrinsic to Jesus is prophecy as is all scripture That which predicts or speaks of His divine and human nature His life and miracles His death and resurrection and His earthly and heavenly kingdom are all interconnected they are all a part of His story His testimony His person Therefore Christ is the unspoken basis for this specific blessing given to readers of the Revelation Blessed are they that read and hear the words of this prophecy and keep those things which are written in it for the time is at hand Rev 1 3 Though there is rich reward in every book of the Bible no other gives the aforementioned promise of blessing **Demorest's Monthly Magazine** ,1874 **The Intermediate World** Luther Tracy Townsend,1878

earliest gospel Mark clearly establishes his guilt and Matthew and Luke show how uniquely guilty Judas was

Paul and His Letters John B. Polhill, 1999 Except for Christ himself, no figure has been more influential in the history of Christianity than the apostle Paul. And yet his remarkable life remains shrouded in mystery. In this probing new book, John B. Polhill scrapes away the myths about this great man and uncovers the truth of his life and thought. Using Acts, the Pauline epistles, and reliable traditions from non-canonical sources, Polhill weaves together the remarkable story of Paul's transformation from persecutor to persecuted, producing a dynamic account of his entire ministry. By placing each of Paul's letters in its proper historical context, Polhill brings new light to these foundation stones of the Christian faith.

He follows Paul from his early years in Tarsus and Jerusalem to his imprisonment and eventual martyrdom painting a detailed comprehensive portrait of Paul that will serve as an indispensable resource for students teachers and pastors alike
