Kashmir as a Borderland Antía Mato Bouzas, 2025-10-01 *Kashmir as a Borderland* The Politics of Space and Belonging across the Line of Control examines the Kashmir dispute from both sides of the Line of Control LoC and within the theoretical frame of border studies It draws on the experiences of those living in these territories such as divided families traders cultural and social activists Kashmir is a borderland that is a context for spatial transformations where the resulting interactions can be read as a process of becoming rather than of being The analysis of this borderland shows how the conflict is manifested in territory in specific locations with a geopolitical meaning evidencing the discrepancy between representation and the living The author puts forward the concept of belonging as a useful category for investigating more inclusive political spaces

Film Style and the World War II Combat Genre Stuart Bender, 2014-08-11 *Film Style and the World War II Combat Genre* is a detailed examination of the stylistic means by which filmmakers depict stories of combat The work furthers contemporary discussions by analyzing a range of World War II combat films to a degree of detail which has previously escaped critical attention This substantial examination of cinematography sound editing and acting in a range of movies including *Saving Private Ryan* *Windtalkers* *Bataan* and *Objective Burma* demonstrates the importance of close attention to the textual construction of these films specifically as well as cinematic texts more generally The work advances the original analytic descriptions of controlled spontaneity and reported realism as theoretical concepts which explain why viewers regard certain stylistic techniques as realistic This notion of realism is then further understood through reference to a body of research in cognitive psychology to argue that the density of audio visual information in contemporary combat films is a significant factor in creating a sense of realism

Canine Behavior Barbara Handelman, 2012-12-12 The ebook version of this book is FULL color throughout *A Dog World Top 12 Training and Behavior Book* 2010 Dogs have deliberate subtle and often humorous ways of expressing themselves *Canine Behavior A Photo Illustrated Handbook* includes 1 000 images of dogs wolves coyotes and foxes It was created for everyone interested in dogs pet owners trainers veterinarians ethologists and behaviorists Using the interdisciplinary language of photography Barbara Handelman illustrates and explains canine behavior and communication Her book establishes a common understanding and vocabulary for people interested in and working with dogs *Canine Behavior* is structured in many user friendly ways including alphabetical organization of the terminology cross referencing and both a detailed table of contents and an index Those interested in both wild and domestic dog behavior will spend hours if not years studying and learning from this book What reviewers are saying MY PET WORLD There aren't many books out there with 1 000 photos of dogs and also wolves expressing themselves You'll see signs of mild stress which range from a paw lift to lip licking to blinking A yawn may simply mean a dog is tired or indicate stress Stretching can also be a sign of stress Dogs are constantly communicating non verbally This book is a must for anyone truly interested in translating what canines are saying Steve Dale MIDWEST BOOK REVIEW Dog and canine lovers are in for a

treat if they pick up Canine Behavior A Photo Illustrated Handbook Featuring one thousand photos covering everything from common dogs to wolves foxes and coyotes Canine Behavior is complete and comprehensive in its coverage of canine species Alongside the black and white photography are examinations of canine behavior with tips for dog owners peppered throughout Canine Behavior A Photo Illustrated Handbook is a must have for any dog person and for community library pets wildlife collections James A Cox

Digital Gaming Re-imagines the Middle Ages Daniel T. Kline,2013-09-11 Digital gaming s cultural significance is often minimized much in the same way that the Middle Ages are discounted as the backward and childish precursor to the modern period Digital Gaming Reimagines the Middle Ages challenges both perceptions by examining how the Middle Ages have persisted into the contemporary world via digital games as well as analyzing how digital gaming translates adapts and remediates medieval stories themes characters and tropes in interactive electronic environments At the same time the Middle Ages are reinterpreted according to contemporary concerns and conflicts in all their complexity Rather than a distinct time in the past the Middle Ages form a space in which theory and narrative gaming and textuality identity and society are remediated and reimagined Together the essays demonstrate that while having its roots firmly in narrative traditions neomedieval gaming where neomedievalism no longer negotiates with any reality beyond itself and other medievalisms creates cultural palimpsests multiply layered trans temporal artifacts Digital Gaming Re imagines the Middle Ages demonstrates that the medieval is more than just a stockpile of historically static facts but is a living subversive presence in contemporary culture

Keywords for Children's Literature Philip Nel,Lissa Paul,2011-06-13 49 original essays on the essential terms and concepts in children s literature

Muslim Youth in the Diaspora Pam Nilan,2017-02-17 In a world where the term Islam is ever increasingly an inaccurate and insensitive synonym for terrorism it is unsurprising that many Muslim youth in the West struggle for a viable sense of identity This book takes up the hotly debated issue of Muslim youth identity in western countries from the standpoint of popular culture It proposes that in the context of Islamophobia and pervasive moral panic young Muslims frame up their identity in relation to external conditions that only see good and bad Muslims on both sides of the ideological fence between Islam and the West Indeed by attempting to break down the good versus bad Muslim dichotomy that largely derives from western media reports as well as political commentary Muslim Youth in the Diaspora Challenging Extremism through Popular Culture will enlighten the reader It illuminates the way in which diasporic Muslim youth engage with and are affected by the radical Islamist meta narrative It examines their popular culture and online activity their gendered sense of self and much more This original book will be of interest to students and scholars interested in the fields of sociology cultural studies and social anthropology It offers a particular focus on Islam for research in youth studies youth culture political radicalisation and religious identity It will also be relevant to the sector of youth and social work where practitioners seek to build cultural bridges with a new generation

From Counterculture to Cyberculture Fred Turner,2024-05-31 In this unique provocative work of cultural history

Turner teases apart the visions myths and rhetoric that have swept us into cyberspace Booklist starred review In the early 1960s computers haunted the American popular imagination Bleak tools of the cold war they embodied the rigid organization and mechanical conformity that made the military industrial complex possible But by the 1990s and the dawn of the Internet computers started to represent a very different kind of world a collaborative and digital utopia modeled on the communal ideals of the hippies who so vehemently rebelled against the cold war establishment in the first place From Counterculture to Cyberculture is the first book to explore this extraordinary and ironic transformation Fred Turner here traces the previously untold story of a highly influential group of San Francisco Bay area entrepreneurs Stewart Brand and the Whole Earth network Between 1968 and 1998 via such familiar venues as the National Book Award winning Whole Earth Catalog the computer conferencing system known as WELL and ultimately the launch of the wildly successful Wired magazine Brand and his colleagues brokered a long running collaboration between San Francisco flower power and the emerging technological hub of Silicon Valley Thanks to their vision counterculturalists and technologists alike joined together to reimagine computers as tools for personal liberation the building of virtual and decidedly alternative communities and the exploration of bold new social frontiers Shedding new light on how our networked culture came to be this fascinating book reminds us that the distance between the Grateful Dead and Google between Ken Kesey and the computer itself is not as great as we might think

A fantástica fábrica de filmes Ana Carolina Garcia,2020-08-05 Como toda indústria do cinema também tem seus prós e contras momentos de glória na mesma intensidade de períodos de derrota e declínio Contudo desde o seu nascimento Hollywood nos envolve com suas produções Nas páginas de seu livro Ana Carolina Garcia faz uma retrospectiva desde o instante em que tudo começou até o século XXI Em linguagem fácil a autora faz uma análise dessa história para apresentar o desenvolvimento do cinema desde seus primórdios tecer comentários sobre os estilos os diferentes gêneros a interação com a mídia televisiva e abordar as principais premiações e sua importância A fantástica fábrica de filmes a obra ideal para saciar a curiosidade dos amantes da sétima arte e propiciar entretenimento na dose certa

Contemporary Psychological Research on Social Dilemmas Ramzi Suleiman,2004-06-21 It is organized around four core issues individual differences which determine people's preferences for outcomes that promote either their own or their group's well-being the study of dynamic processes based on simulations of artificial societies social dilemmas that emerge in intergroup conflicts and the effect of various types and sources of uncertainty on behavior in social dilemma situations BOOK JACKET

The Routledge Introduction to Canadian Crime Fiction Pamela Bedore,2024-02-27 Who are the most important Canadian crime and detective writers How do they help represent Canada as a nation How do they distinguish Canada's approach to questions of crime detection and social justice from those of other countries The Routledge Introduction to Canadian Crime Fiction provides a much needed investigation into how crime and detection have been and will be represented within Canada's national literature with an attention to contemporary popular and literary texts The book draws together a

representative set of established Canadian authors who would appear in most courses on Canadian crime and detective fiction while also introducing a few authors less established in the field Ultimately the book argues that crime fiction is a space of enormously productive hybridity that offers fresh new approaches to considering questions of national identity gender race sexuality and even genre

The Cultural Politics of Colorblind TV Casting Kristen J. Warner, 2015-06-05

This book fills a significant gap in the critical conversation on race in media by extending interrogations of racial colorblindness in American television to the industrial practices that shape what we see on screen Specifically it frames the practice of colorblind casting as a potent lens for examining the interdependence of 21st century post racial politics and popular culture Applying a production as culture approach to a series of casting case studies from American primetime dramatic television including ABC's Grey's Anatomy and The CW's The Vampire Diaries Kristen Warner complicates our understanding of the cultural processes that inform casting and expounds the aesthetic and pragmatic industrial viewpoints that perpetuate limiting or downright exclusionary hiring norms She also examines the material effects of actors of color who knowingly participate in this system and justify their limited roles as a consequence of employment and finally speculates on what alternatives if any are available to correct these practices Warner's insights are a valuable addition to scholarship in media industry studies critical race theory ethnic studies and audience reception and will also appeal to those with a general interest in race in popular culture

The Connection Cure Julia Hotz, 2024-06-11

A brave fascinating and persuasive read and will soon become the definitive book on social prescribing Full of integrity humor and great storytelling this book will change lives and possibly the world Dr Michael Dixon OBE author of Time to Heal and former NHS National Lead for Social Prescription In this combination of diligent science reporting moving patient success stories and surprising self discovery journalist Julia Hotz helps us discover lasting and life changing medicine in our own communities Traditionally when we get sick health care professionals ask What's the matter with you But around the world teams of doctors nurses therapists and social workers have started to flip the script asking What matters to you Instead of solely pharmaceutical prescriptions they offer social prescriptions referrals to community activities and resources like photography classes gardening groups and volunteering gigs The results speak for themselves Science shows that social prescribing is effective for treating symptoms of the modern world's most common ailments depression ADHD addiction trauma anxiety chronic pain dementia diabetes and loneliness As health care's de facto cycle of diagnose treat repeat reaches a breaking point social prescribing has also proven to reduce patient wait times lower hospitalization rates save money and reverse health worker burnout And as a general sense of unwellness plagues more of us social prescriptions can help us feel healthier than we've felt in years As Hotz tours the globe to investigate the spread of social prescribing to over thirty countries she meets people personifying its revolutionary potential an aspiring novelist whose art workshop helps her cope with trauma symptoms and rediscover her joy a policy researcher whose swimming course helps her taper off antidepressants and feel excited to wake up in the morning
