Wesley, Queering the Church Keegan Osinski, 2021-07-09 Fifty years after Stonewall the experiences of LGBTQ Christians are rightfully beginning to be received with interest by their churches *Queering Wesley* *Queering the Church* presents a prototype for thinking about Wesleyan holiness as an expansive openness to the love and grace of God in queer Christian lives rather than the limiting and restrictive legalism that is sometimes found in Wesleyan theology and praxis This inventive project consists of queer readings of ten John Wesley sermons Reading these sermons from a queer perspective offers the church a fresh paradigm for theological innovation while remaining in line with the tradition and legacy of Wesley that is so central and generative to Wesleyan churches Arguing that a coherent line of thought can be drawn from Wesley's conception of holiness to the queer holy lives of LGBTQ Christians *Queering Wesley* *Queering the Church* playfully utilizes queer theory in a way that is fully compatible with Wesleyan teaching This book aims to be a first step in seriously considering the theological voices of LGBTQ Christians in the Wesleyan tradition as a valuable asset to a vital church *Transformative Fictions* Daniel Just, 2022-07-27 *Transformative Fictions* World Literature and Personal Change engages with current debates in world literature over the past twenty years addressing the nature of literary influence in centers and peripheries the formation of transnational literary and pedagogical canons and the role of translation and regionalism in how we relate to texts from around the globe The author Daniel Just argues for a supranational but sub global perspective of regions that emphasizes practical reasons for reading and focuses on the potential of literary texts to stimulate personal transformation in readers One of the recurring dilemmas in these debates is the issue of delimitation of world literature The trouble with the world as a frame of reference is that no single researcher is bound to have the in depth knowledge and linguistic skills to discuss works from all countries In response this book revives literary theory and recasts it for the purposes of world literature by making a case for the continuing relevance of literature in the age of new media With the examples of fictional and nonfictional writings by Milan Kundera Witold Gombrowicz and Bohumil Hrabal Just shows that regional literatures offer differing methods of activating readers and thereby prompting personal change This book would be of general interest to anyone who wants to explore personal change through literature but is particularly indispensable for literary professionals researchers and postgraduate and graduate students **Princeton Alumni Weekly**, 2008 *Hell Fire* Ali Vali, 2018-02-13 Dr Abigail Eaton stumbles into a massacre but once someone tries to kill her it seems like no accident While hunting for the perpetrators of a sex trafficking empire Agent Riley Abbott saves Abigail from a professional hit and discovers the young mother might be the key to more than just her case Riley takes Abigail and her family to what she thinks is safer ground and runs right into the arms of reputed mob boss Cain Casey *Children of the Healer* Barbara Ann Wright, 2018-02-13 With the Storm Lord dead Cordelia Ross and Simon Lazlo return to Gale to normality but when they find the populace poisoned by the drushka it's clear the aliens must be dealt with before life can be anything near normal In the north Patricia Du takes control of Gale's mine with Jonah the servant she created in Dillon Tracey's old body She thinks controlling the humans only source
