Spelling Strategy Activity

Dear Family,

Just now that we are writing the spelling words correctly, we are going to check all pages. As you work with your children practice the word's spelling words, for the following activity.

Homophones are words that sound the same but are spelled differently. Create sentences for the homophones in Unit 28 for your child. Have him or her say the homophones in each sentence and spell it out. Then have him or her say the spelling word but is a homophone for the word used, say it in a sentence, and spell it out. Finally, have your child write the pair of homophones. There is one group of three homophones.
