Alvy, 2009-03-18 In the heroic effort to improve our nation's schools this newly revised volume is a gift to the profession and to the professionals Roland S Barth Former Public School Teacher and Principal Founding Director Harvard Principals Center The Principal's Companion is rightfully regarded as the bible of resource books for current and aspiring principals No other single source provides such a thorough treatment of the multiple roles and dimensions involved in effective school leadership Jay McTighe Author and Educational Consultant A guide on the side to help you excel in all areas of the principalship This third edition of a bestseller serves as a personal mentor for principals providing the practical resources and tools to help inservice and aspiring administrators manage the challenges of leading a learning organization and facilitating school improvement Educational leadership consultant Pam Robbins and experienced principal Harvey B Alvy guide school leaders on such critical areas as leadership skills developing vision and a mission teacher evaluation and supervision curriculum technology use and conducting faculty meetings This revised and updated guide reflects recent changes in a wide range of educational issues including data driven decision making and high stakes accountability instructional implications of brain research federal legislation cyberbullying and social responsibility This book provides Research based strategies for succeeding with issues deemed critical to the principalship by practicing principals An interactive format with reflective questions at the end of each chapter A matrix that aligns practices with ISLLC standards The Principal's Companion is the principal's ideal accompaniment for creating an environment that supports teachers efforts to bring about successful student performance

The Other Side of the Report Card Maurice J. Elias, Joseph J. Ferrito, Dominic C. Moceris, 2015-12-14 To better serve the whole child look at the whole report card Students are more than their academic grades you know it and their parents know it The progress they make in social emotional learning and character development is essential to their success in school and in life But while educators have made great strides in improving grading for academic achievement we've left too many teachers still guessing when it comes to outdated behavior ratings and comment sections That's where this book comes in Grounded in research and in the author's work with teachers and administrators it offers guidance on retooling report cards to better reflect the whole child integrating SEL and CD into any school or district wide grading system Resources include Guided exercises for analyzing existing report cards Samples and suggested report card designs Tips on improving communication with parents Case studies highlighting common challenges Testimonials from teachers and students When you take report cards to the next level you make sure that communication reflects all of the important characteristics of success and ensure that students develop the skills they need for the future This book brilliantly illuminates the key role played by social emotional learning in each student's development and it challenges the tradition of relegating the SEL EQ observations to the back of the report card If we want to develop better communities this book shows the way Dr Neil MacNeill PhD EdD Head Master Ellenbrook Independent Primary School The ultimate goal of misbehavior is attention When children don't get the attention they need through the proper behavior

they will get it any way they can Children want to be loved and cared about SEL will help them to learn the proper ways to get attention It will also help teachers better understand the misbehaviors and redirect students toward positive behavior Pamela L Opel Teacher Intervention Specialist Gulfport School District *New Developments in Pupil Report Cards ...*
