society's decline the calamities that enveloped the civilization and the migration of this sophisticated culture to other areas of the planet. Shares Georgia's travels to the planet Zandana a world facing the same problems as Earth yet taking a very different approach to their resolution. Exposes the supreme significance of Earth and how our planet is one of the worlds on which the rebel angels are reincarnating. An angel of Seraphic status Georgia arrived on this world with the first of the celestial missions over half a million years ago. During the angelic rebellion 203 000 years ago which led to the quarantine of Earth and 36 other planets from the Multiverse she aligned herself with Lucifer and the rebel angels. After the rebellion Georgia was permitted to remain on this planet as a Watcher making occasional side trips to Zandana a sister planet also under the thrall of the angelic rebellion. Writing together with Timothy Wyllie Georgia provides her personal account of Earth during the fall of Atlantis as well as accounts of her trips to Zandana. Georgia reveals in detail the devolution of Atlantean life during its society's decline the calamities that enveloped the civilization and the migration of this sophisticated culture to other areas of the planet. She shows how the fate of Atlantis ties in with the Lucifer Rebellion and also offers us understanding of where human civilization is now in contemporary times. Her travels to the planet Zandana reveal a world at the same stage of development and facing the same problems as Earth yet taking a very different approach to their resolution. Through her revelations Georgia exposes the supreme significance of Earth in the larger Multiverse context and also how our planet is one of the worlds on which the rebel angels have been accorded the privilege of a mortal incarnation. She describes how this unprecedented interspecies mutation rebel angel incarnations started in Atlantis in the eighth millennium. Interwoven with Georgia's narrative are her observations of Timothy Wyllie's current and previous lives including his involvement with the Process Church and his struggle to leave it. Georgia shares her words in part to awaken the 100 million rebel angels currently living their human lives most unaware of their angelic heritage. She reveals how a mortal incarnation for a rebel angel is an opportunity to redeem their past and help prepare for the imminent transformation of global consciousness as the rebel held planets including Earth are welcomed back into the Multiverse.
