**Anglophone-Cameroon Literature** Emmanuel Fru Doh, 2014-10-28 Against a disturbing political backdrop and through an in depth appraisal of selected illustrative texts from major genres poetry prose and drama Emmanuel Fru Doh presents the origins and growth of a young but potent literature To him Anglophone Cameroon literature is a weapon in the hands of an oppressed English speaking minority in his native Cameroon Africa who were unfairly manipulated by the United Nations and Britain into a skewed federation in the name of an independence deal [The Cameroonian Novel of English Expression.](#)

[An Introduction](#) S. A. Ambanasom, 2009 In this eclectic and compelling book Ambanasom sets out to achieve three primary objectives to introduce the reader to the extensive body of Cameroonian novels in English to re examine the distorting and limiting criteria upon which the critical assessment of the Cameroonian novel in English has so far been based and to bridge the widening chasm between literary theory and actual critical practice To achieve these objectives Ambanasom begins by elaborating an alternative and flexible theoretical framework which he christens the Socio Artistic Approach and which according to him is concerned with both a text s thematic moral cultural or ideological issues on the one hand and its central literary analysis on the other He then proceeds to use this new critical framework to examine twenty seven major

**Representations and Renegotiations of the Nation in Anglophone Cameroonian Literature** Priscillia M. Manjoh, 2018 Guided by postcolonial theory and the ideas of some Western and African philosophers this study s in depth analysis of the novels of three Anglophone Cameroonian authors addresses the question of how principles of nation formation and nationalism are influenced by both colonialism and pre colonial in situ constituents The analysis focuses on how nations represented in the imaginary worlds constructed by the novelists are dominated by aspects such as ethnicity corruption authoritarianism nepotism solidarity and communitarianism which marginalize the masses leaving them in misery and abject poverty Tracing the historical settings of the novels from 1948 till present day the study delineates the writers representation of the Anglophones of Cameroon as being marginalized as well as suffering from self marginalization and also demonstrates how postcolonial misery in Africa is not caused solely by colonialism but by several other aspects This study reads the works of these Anglophone novelists not only as representing aspects in a nation but as tools of renegotiating a better society and a way forward for this nation [Landscaping Postcoloniality. The Dissemination of Cameroon Anglophone Literature](#) Joyce Ashuntantang, 2009 This is a foundational text on the production and dissemination of Anglophone Cameroon literature The

Republic of Cameroon is a bilingual country with English and French as the official languages Ashuntantang shows that the pattern of production and dissemination of Anglophone Cameroon literature is not only framed by the minority status of English and English speaking Cameroonians within the Republic of Cameroon but is also a reflection of a postcolonial reality in Africa where mostly African literary texts published by western multi national corporations are assured wide international accessibility and readership This book establishes that in spite of these setbacks Anglophone Cameroon writers have produced a corpus of work that has enriched the genres of prose poetry and drama and that these texts deserve a wider readership **Cameroon Literature in English** Nalova Lyonga,Bole Butake,1980 **Education of the Deprived** S. *Perspectives on Written Cameroon Literature in English* S. A. Ambanasom,2013 In 2009 Anglophone Cameroon literature celebrated its fifty years of existence Now at the mature age of fifty plus this literature has a great deal to write home about even if it still has a lot to do in its pursuit of excellence Part of its maturity resides in the fact that although the scale of literary creativity and literary criticism is skewed in favour of the former Anglophone Cameroon literary criticism is gradually waking up from slumber in an attempt to catch up with the rapidly expanding creativity The essays in this book comment practically on some aspects of all the genres of written literature that the Anglophone Cameroon creative writers have produced so far the novel drama poetry the short story the essay and children s literature The essays on the whole are a testimony of the transition and reality from the apparent drought of Anglophone Cameroon literary paucity to the actual fruitful period of Anglophone Cameroon abundance of literary creativity The Anglophone Cameroonians have appropriated an imperial language English to serve their postcolonial Cameroonian vision Their various literary texts are vehicles of representations that are essentially cultural and ideological constructs The works examined are initially anchored on Cameroonian experiences to take on social significance As they are grounded on moving human experiences these works necessarily make references to the immediate Cameroonian environment of their authors before taking on universal human significance The book abundantly evidences and crowns Shadrach Ambanasom s achievements and reputation as a skilled pedagogue on the art of practical literary criticism **Anglophone Cameroon Writing** Nalova Lyonga,1993 **Epasa Moto** ,2010 **Art and Political Thought in Bole Butake** Emmanuel Ngwang,Kenneth Usongo,2016-09-30 The book Art and Political Thought in Bole Butake through a pluralist critical approach interrogates Butake s major creative works Lake God And Palm Wine Will Flow The Survivors Shoes and Four Men in Arms Dance of the Vampires and The Rape of Michelle mainly in terms of their political underpinnings and cultural signification The intention is to place his drama within the socio political matrix of Cameroon and demonstrate the topicality of the issues of governance marginalization and corruption in Cameroon or Africa that Butake consistently foregrounds in his creative works The study opens with an overview of the historical and social milieu that feeds Butake s imagination and the introduction is followed by an interview of the playwright

in which he explains his mission as a writer The next two chapters appraise the political symbolism of Butake s plays and chapter five undertakes a comparison of the colonial legacy and the culture of corruption in Butake s Lake God and The Rape of Michelle Women in Butake s imaginative universe play a non negligible role in change They are portrayed as political and social activists in their challenge to autocratic rule This is the leitmotif of chapter six which highlights the contribution of women towards political change in Cameroon In chapters seven and eight the focus is on articulating the cultural signification of Butake s plays in terms of political change Concomitantly these chapters also demonstrate Butake s seamless incorporation of elements of oral literature in his drama as he interpolates proverbs divinations and other elements of orality in his work Chapter nine of the book points out how Butake foregrounds the character traits of his protagonists against the backdrop of traditional Noni religion as well as Christianity Thus the bigotry and belligerence of both the Fon and Father Leo in Lake God for example are projected through a supernatural frame The conclusion appraises the contemporaneity of Butake s drama His oeuvre continues to inspire so many people from disenfranchised groups that see in his drama a path to reclaiming liberties and to critics who are challenged to hone their literary tools in the endeavor to situate his works within the dynamics of politics and culture in Africa

**Art and Political Thought in Bole Butake** Emmanuel Ngwang, Kenneth Usongo, 2016-09-30 The book Art and Political Thought in Bole Butake through a pluralist critical approach interrogates Butake s major creative works Lake God And Palm Wine Will Flow The Survivors Shoes and Four Men in Arms Dance of the Vampires and The Rape of Michelle mainly in terms of their political underpinnings and cultural signification The intention is to place his drama within the socio political matrix of Cameroon and demonstrate the topicality of the issues of governance marginalization and corruption in Cameroon or Africa that Butake consistently foregrounds in his creative works The study opens with an overview of the historical and social milieu that feeds Butake s imagination and the introduction is followed by an interview of the playwright in which he explains his mission as a writer The next two chapters appraise the political symbolism of Butake s plays and chapter five undertakes a comparison of the colonial legacy and the culture of corruption in Butake s Lake God and The Rape of Michelle Women in Butake s imaginative universe play a non negligible role in change They are portrayed as political and social activists in their challenge to autocratic rule This is the leitmotif of chapter six which highlights the contribution of women towards political change in Cameroon In chapters seven and eight the focus is on articulating the cultural signification of Butake s plays in terms of political change Concomitantly these chapters also demonstrate Butake s seamless incorporation of elements of oral literature in his drama as he interpolates proverbs divinations and other elements of orality in his work Chapter nine of the book points out how Butake foregrounds the

character traits of his protagonists against the backdrop of traditional Noni religion as well as Christianity. Thus the bigotry and belligerence of both the Fon and Father Leo in *Lake God* for example are projected through a supernatural frame. The conclusion appraises the contemporaneity of Butake's drama. His oeuvre continues to inspire so many people from disenfranchised groups that see in his drama a path to reclaiming liberties and to critics who are challenged to hone their literary tools in the endeavor to situate his works within the dynamics of politics and culture in Africa.

Language, Literature and Education in Multicultural Societies Kenneth W. Harrow, Kizitus Mpoche, 2008

This book presents a vivid overview of linguistic literary and educational issues in a multicultural context from various perspectives. These range from large scale surveys to specific analyses on aspects of language literature and education. Contributions are very original and based on a common denominator: Multiculturalism. Despite the numerical dominance of contributions from Cameroon, one of the most multilingual countries in the world, this book brings together views from specialists in the different domains from several parts of the world: Africa, Europe and the United States of America. These contributions exhibit not theoretical issues that underpin current academic debates in linguistic and literary research but also empirical and interesting data that can further be exploited to other ends. Critical views on literature and postcolonialism, the fears of language death with the advent of globalisation and the spread of English language, the educational significance or influence of the internet, the wealth of Cameroon African literature and the education of the Cameroonian African child and theoretical issues in language and literary education are themes handled here in an accessible manner to readers without previous knowledge of language science literature and education.
